

Local Police Investigate Three Traffic Accidents

Three traffic accidents were investigated by Edenton Police Department last weekend, resulting in property damage but no serious personal injuries.

Police Chief J. D. Parish reported the following accident activity:

At 11:20 A. M., Saturday at the intersection of Oakum and Queen Streets, a 1967 Ford panel truck, operated by Bobby Alexander Wright, 30, East Church Street Extension, was in collision with a 1956 Ford dump truck driven by Robert Lee Morning, 56-year-old Negro, Route 1, Edenton.

Brakes on the truck, owned by Waff Bros., failed and the truck hit the other vehicle, which was owned by Griffin Musicenter. Damage was placed at \$400.

At 4:10 P. M., Sunday at the intersection of Broad and Freemason Streets, a 1964 Volkswagen, operated by Gerald Vance Phelps, 17, Route 1, Roper, struck the rear of a 1963 Chevrolet, being operated by Phyllis Ann Miller, Westover. Damage was set at \$360.

At 11 P. M., Sunday on A&P parking lot, a 1964 Dodge, operated by Allen Lane Davenport, 18, Route 1, Merry Hill, was in collision with a 1968 Chevrolet, operated by Raymond Hartwell Hughes, 18, Route 1, Merry Hill. Damage to the two vehicles was set at \$160.

Area Students On Dean's List

ELIZABETH CITY—Two Chowan County students at the College of the Albemarle here made the Dean's List for the fall semester.

Dr. L. L. Barlow, dean, identified the local students as Linda Lee Goodwin of Tyner and Lloyd W. Lassiter of Edenton.

Sixty-four COA students earned a place on the scholastic list for the semester.

Jaycettes Name Two Students

Edenton Jaycettes have named two students at John A. Holmes High School as Teen-Agers of the Month.

Those selected for their leadership abilities and other characteristics are: Frances Spruill and Nancy Rogerson.

Miss Spruill is the daughter of Mr. and Mrs. J. Frank Spruill and attends Edenton Baptist Church.

She played Jayvee basketball, served as library assistant, holds membership in the Library Club and Future Homemakers of

America. Her hobbies include writing poetry, sewing and cooking.

She works part-time at Mitchener's Pharmacy. The daughter of Mrs. Minnie Rogerson, Nancy also is a member of Edenton Baptist Church.

At John A. Holmes High School she is a member of Future Homemakers of America.

Miss Rogerson enjoys sewing and oil painting. She works part-time at Tastee Freez.

Employment Day Scheduled

A special farm employment day will be held February 14 at the Edenton office of Employment Security Commission of North Carolina. The hours will be from 9:30 A. M., until 3:30 P. M.

R. E. Cheek, office manager, said persons interested in securing year-round or seasonal employment on a farm or dairy should participate in this special employment day.

Also, Cheek said farmers are asked to come at this time to place orders and discuss labor needs.

C. T. Skinner, Jr., farm employment representative will be on hand to interview applicants.

Chowan 4-H's Study Wild Water

"When Water Runs Wild" was the theme Monday of the fourth TV Action Club meeting over television station WENB, Channel 2.

Chowan County 4-H's and others who are members of the 4-H TV Action Club met in front of their home television sets to learn the useful and destructive powers of controlled and uncontrolled water.

Mrs. Gladys B. White, Home Economics Extension Agent, pointed out that those boys and girls who are participating in this television series learned how to store and purify water without boiling it. Tips on flood cleanup were also given.

The youngsters saw how to prepare a food kit for a family to use in case of emergencies, the agent remarked.

"Living With the Atom" will be the topic of the next 4-H TV Action Club meeting. The meeting can be seen Monday, February 12, over station WENB, Channel 2 at 5:30 P. M.

Chairman Harrell led a discussion covering the water supply storage and system extension problems for both the water and sewer systems. Motion by J. P. Ricks, Jr., seconded by J. H. Conger, Jr., and unanimously carried that the J. N. Pease Company of Charlotte, N. C., be authorized to proceed with the necessary engineering surveys and estimates required to anticipate cost of increasing the town well water supply, overhead storage and necessary connections to the town's water system. That upon completion of this work, the Pease Company will advise the Board of Public Works of their findings. The J. N. Pease Company is also authorized to make similar engineering studies and estimates of cost to install

water and sewer facilities into the Paradise Road area and U. S. 17 south, Morgan Park area; sewer facilities on N. C. 32 North in the vicinity of the site of the new hospital. These estimates and engineering studies are to be of such nature that contractual bids can be requested after approval by the Board of Public Works.

Chairman Harrell requested Superintendent R. N. Hines to review the information collected from various towns in North Carolina which gives an account of their experience and opinions of a natural gas system and its operational problems. Upon completion of this lengthy and detailed review, the Board of Public Works requested that Mr. Harrell attend the next Town Council meeting and present the above information advising the Council of the considerations, deliberations and conclusions reached by the Board of Public Works.

There being no further business, the meeting adjourned.

RICHARD N. HINES, Acting Secretary.

he can give—whether it be experience that comes with age—or a generous, loving

heart that sees the need of the forsaken, and expends itself in their behalf. For it is true that Christian parents, their children raised to self-sufficient independence (the goal of every responsible parent) can instead of sitting back bemoaning their "unwantedness"—receive into their hearts and lives some lonely child, deprived of parents and loving care, and love and guide it as their very own. Thus they not only fill the hunger of the unfortunate, they fill the hunger they feel themselves—the hunger of every human being—that of being needed. In such a way can they answer the great hunger of the spirit. Surely can there be no other greater, more satisfying association with the Saviour, for did He not say: "Suffer the little children to come unto me . . . ?" Jesus was of the Spirit. If we would follow Him, we must concentrate on the spirit within us.

Torino...for people who know there's more to a performance car than painted stripes.

1968 Torino GT Fastback (Top)
1968 Torino GT Hardtop (Bottom)

Anyone can paint stripes on a car. Ford's performance champs earn their stripes the hard way. Torino swept the first five places in the Riverside 500. It's the Pace Car for the Indy 500. It's the hottest-selling new car in the country! Fairlane took first place in its class for braking and for economy in the Union/Pure Oil Performance Trials—in fact, Ford Motor Company cars won more classes than all other manufacturers combined! If it's performance you want, ride with a winner! See the man with Better Ideas . . . your Ford Dealer.

FACTS ABOUT THE 1968 TORINO

When Torino takes the first five spots in the Riverside 500, first time out, you know it's tough! These cars, of course, were driven by professionals and were modified to meet the special demands of competition. But, the same kind of basic durability and maneuverability are built into every Torino we make. So if you want stripes, get 'em on the car that gives them meaning! Choose from three GT models—fastback, hardtop and convert-

ible. All with a 289-cu. in. V-8, wall-to-wall carpeting, all-vinyl interiors, styled steel wheels and wide-ovals. Or choose the regular hardtop or 4-door sedan. Like the GT's, they've got a new, longer, 116 in. wheelbase for smoother riding comfort, more room and more trunk space. You can even have a Torino Squire wagon, with 2-way Magic Doorlogs. See America's hottest newcomer at your Ford Dealer's soon!
