Firm Promotes Durward Harrell

Durward Harrell, a native of Edenton, has been named vice president in charge of personnel for all Jordan Marsh stores in Florida.

Jordan Marsh is a rapidly expanding Florida retail operation that now has five complete department stores with plans for new openings.

Harrell received his degree in personnel and industrial relations from Syracuse University. He served as an infantry captain in the European Theater of Operation and the Pacific Theater during the war.

He joined Allied Stores Corporation in 1948. Prior to the opening of Jordan Marsh he worked in Allied's New York office.

Harrell was one of the first people reporting to Miami in 1955 to open the new Jordan Marsh store in Florida. He started as personnel director in Miami and was later promoted to personnel director for all stores in Florida. He was serving as executive personnel director at the time of his promotion.

He is involved in many community activities including the board of stewards for Radar Memorial Church, Allapattah Rotary Club, Personnel Association of Greater Miami, Americal Society for Personnel Administrators, Florida Retail Federation, United Fund, General Advisory Committee for Adult Distributive Education, Council for the Continuing Education of Women and the Community Relations Board for the Equal Employment Opportunity Task Force.

He resides in Miami with his wife Joyce and three children, Gary, Nancy and Durward, Jr.

Seminar Slated By Witnesses

W. B. Johnson, circuit supervisor for Jehovah's Witnesses in Eastern North Carolina, has invited the Edenton Congregation to attend the Spring seminar scheduled by the Watchtower Bible and Tract Society to be held in Goldsboro March 29-31.

The resident presiding minister of Jehovah's Witnesses, Mr. M. E. Beltrami, said that the local group will be among 16 congregations attending the three-day Bible Conference. A peak attendance of 800 persons is expected.

According to Mr. Beltrami, the Witnesses will be meeting for the purpose of learning, not just visiting, and particularly with regard to "Strengthening One Another to Remain in the Faith," which is the theme of the assembly.

"Let's be honest," said Mr. Beltrami. "Faith in God is growing less and less in the world today. Only about half of the population in the United States attends church regularly and in other countries, it is much less, as for example Sweden, where the figure is only about 3 per cent. That is why we assemble like this—to increase our faith and to aid one another to do the same."

Bible authority and lecturer, Joseph Saia, from the Watchtower Society's headquarters in New York City will deliver the main address and serve as chairman for the duration of the assembly. Johnson will introduce other featured speakers to be named later, and will conduct stage dramatizations instructing the Witnesses on how their world-wide witness work may be done more effectively.

Beltrami said that all local congregational members are presently making plans to attend and are looking forward to returning with their own faith strengthened to be a better asset to their community.

More Appropriate

A photographer was taking a picture of a farmer and his college-boy son. The photographer suggested that the boy stand with his hand on his father's shoulder.

"It would be more appropriate," said the long-suffering parent, "if he stood with his hand in my pocket."
