

Poster Contest Winners Selected

The Chowan Conservation Poster Contest was held at the Chowan High School last Tuesday morning, reports Lloyd C. Bunch, Chowan District chairman.

The fourth, fifth and sixth grade students study conservation and then prepare individual posters on a sound conservation idea at the end of the study. The event is sponsored annually by the Chowan Board of Soil and Water Conservation District supervisors to inform our younger generation of the value of conservation. County winners in the

contest were: Fourth grade, Win Dale, first place and Harry Ward, second place. Fifth grade: Mike McMullan, first place and Brad Hollowell, second place. Sixth grade: Wendy Crandall, first place and Jean Byrum, second place.

Also in addition to the county winners the best poster in each room was selected. They were: Beth Boswell, Ronnie Harrell, Ronnie Byrum, Billy Gaino, Hillary Shoaf, Teresa Dixon, Lorie Dees and Herman Bond.

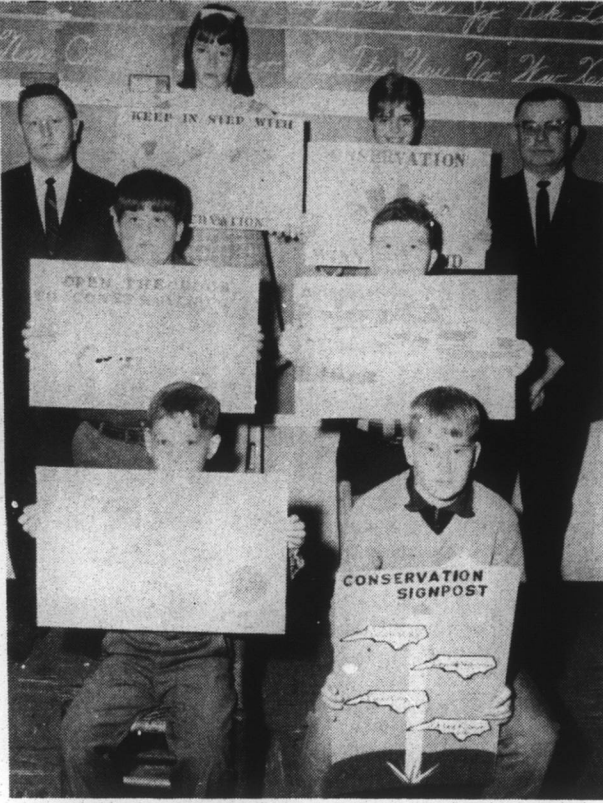

The posters were judged on how the conservation idea was presented, 50

points; originality, 25 points; artistic ability, 15 points, and neatness, 10 points.

Cash prizes of \$6 were presented to the county first place winners and \$4 to the second place winners. Room winners won \$2.

The county winners will compete with the winners from Perquimans, Pasquotank, Camden and Currituck counties in the Albemarle Conservation Poster Contest to be held in Elizabeth City on Thursday, March 28.

The local board of supervisors wish to express their appreciation to the students participating, the teachers, school officials for a job well done and for making this event possible, Bunch said.
