Church Bonds To Be Available

Rev. Russell Rice, pastor of the Immanuel Baptist Church, announces the church's future plans. Beginning Monday, April 15, the church will launch a bond issue program for

the purpose of building a new church auditorium with adequate Sunday School facilities.

This building is to be erected on U. S. 17 in the Westover Heights area. The bonds to be issued will be individual bonds totaling \$50,000.

Two of the outstanding features of these bonds will be: they will be paying 6½ per cent interest and also that interest is to be compounded. Anyone desiring further information concerning the purchase of these church savings bonds may contact Mr. Rice.

Immanuel Baptist Church was founded with a handful of people in May, 1962, and has seen a growth from that handful to a total growth of over 180 enrollment, with the average Sunday School attendance during 1967 of 126. It is because of this growth and the future anticipated growth of the church and of the fine city of Edenton, a building program is imperative to meet the spiritual needs of the community.
