We've a pink and white town  
With all the dogwood in bloom,  
Beauty for all to enjoy—  
Heralding Spring's own tune.

I think that Edenton has never been prettier than on Easter Sunday. The pink and white dogwood all over town is a beautiful sight and especially in the Episcopal churchyard. Truly God's handiwork.

I'm so glad to be able now to eat most anything I like and it's such a pleasure, especially with a good appetite.
