INCHES SIDE-BY-SIDE **Amana 22**

It's not even as wide (35¾") as the distance around this ad, yet the Amana 22 is the first side-by-side that packs in 22.3 cubic feet of food, separate cold controls, adjustable cantilevered shelves\* a meat keeper that works, butter conditioner, a 5-year total appliance warranty, and it's free-o'-frost.

Whew!  
Oh. Only Amana has it.

Amana Model  
SDI-22E  
Capacity  
22.3 cubic feet

**\$000<sup>00</sup>**

Amana's side-by-side gives you 287 pounds in the freezer alone. The refrigerator holds 14.1 cubic feet. And the whole unit is only 35¾" wide.

And only Amana gives you a meat keeper with its own temperature control — it's like having a "refrigerator within a refrigerator." Super cold air flows around the meat pan (never directly on the meat). Keeps meat up to two times longer than ordinary meat trays.

Put the shelves where you want them in this refrigerator. Amana's adjustable cantilevered shelves (on recessed tracks to give you more usable space)\* adjust to suit your individual daily needs. Spread them apart for large gallon milk bottles or set them close together for smaller foods. Even the crisper is adjustable.

No other make offers so many exclusive features. Plus the longest, most comprehensive warranty ever to back up any refrigeration product.

There's more. Much more. See for yourself. Today.
