Sale To Benefit Local Missionary

A Food Fair for the benefit of Missionary Tommy Kehayes, his wife and son who are serving in Minto, Alaska, will be held at St. Paul's Episcopal Church May 10. Food will be on sale from 10 A. M. to 2 P. M. in the Parish House.

Cakes, pies, canned foods, aprons, cook books, and home-made stews, as well as a cake raffle will be part of the fair and the proceeds will be used to help Mr. Kehayes in his duties with the Alaskan Indians.

A special request to each person who attends is to bring some clean used items of warm clothing to be sent to Alaska. Clothes are especially needed for the children of the village. Mr. Kehayes and his family left for their missionary field this past summer and will be in the northern most state for three years.

Sale Of Poppies Planned In Area

"Lest we forget... wear a poppy."

This will be the message of the American Legion Auxiliary to the people of Edenton on Poppy Day May 4. Members of the Auxiliary and cooperating groups of young women will be stationed at numerous places all day offering baskets of Memorial Poppies and urging all citizens to wear one of the little red blossoms in honor of our nation's war dead.

"We know that everyone in Edenton will wish to express remembrance and gratitude by wearing a poppy on that day," said Mrs. W. E. Mills, president of Edenton unit of the Auxiliary.

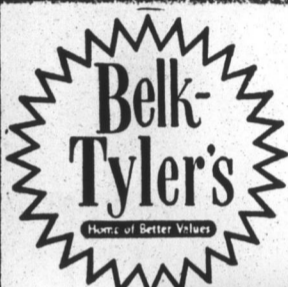

"The memorial poppies have been made for the Auxiliary by disabled war veterans working in hospitals and convalescent workrooms," Mrs. Mills said. "The Auxiliary memorial poppies are fashioned from crepe paper and wire stems and their production provides an interesting diversion for many hospitalized veterans," she added. "The work is considered valuable as occupational therapy, in addition to giving the disabled men the encouraging experience of earning money once again. All materials are supplied without cost by the American Legion Auxiliary which pays the hospitalized veteran for his work."

"An estimated 150,000 volunteer workers from the Auxiliary and cooperating groups are required to distribute some 20 million memorial flowers on Poppy Day. All contributions received from the public are used solely for the rehabilitation and child welfare programs conducted by the American Legion Auxiliary.

Impossible

Our rivals are insects, says an eminent entomologist. Of course, but it's darned hard to make the girl of your dreams realize it.
