

Dr. Leo Green Guest Minister

Because the pastor, Rev. R. N. Carroll, is on vacation, Dr. J. Leo Green of Southeastern Baptist Theological Seminary in Wake Forest, will be guest preacher at Edenton Baptist Church Sunday.

Dr. Green, who was guest preacher last Sunday, is well known to the membership of the church and to many in the community because of numerous previous preaching engagements with the local church as well as in other churches of the area.

Since the establishment of the seminary in Wake Forest, Dr. Green has served as professor of Hebrew and Old Testament. Also, because he is one of the most able preachers in the Southern Baptist Convention, he is very much in demand and he has filled world-wide engagements in South America, the British Isles, Europe, Africa and the Middle East.

The supervised church nursery will be open during the morning and evening services for the convenience of parents with small children. The morning service at 11 o'clock will be broadcast over the facilities of station WCJL as a service to those unable to attend.
