Acting Office Manager  
Checking Tobacco Cards  
After Each Sale

Producers are warned to check the entries on tobacco sales card after each sale to be sure entries have been made correctly. There is an easy way to check these entries. Just subtract the last entry from the figures above it and the results should equal the amount shown on the warehouse bill of sale. If it does not, there is an error. If errors are found on the card, bring the card and all bills of sale to the county office for correction. Standard Acceptable Sheets

## HOSPITAL PATIENTS

### Legal Notices

#### Administrator's Notice

Having qualified as Administrator of the estate of James Morris, late of Chowan County, North Carolina, this is to notify all persons holding claims against the estate of said deceased to present them to the undersigned on or before the 15th day of February, 1969, or this notice will be pleaded in bar of any recovery thereon. All persons indebted to said estate will please make immediate payment.

This 12th day of August, 1968.

MERRILL EVANS, JR., Administrator of the Estate of James Morris, deceased.

Aug 15 22 29 Sept 5

**For Tobacco**  
Growers selling untied tobacco are reminded that it will be necessary to purchase a sufficient number of 96-inch x 96-inch standardized sheets for their delivery of tobacco to the warehouse. The use of the standardized sheets will improve the display of untied tobacco and handling. Also, the sheets will eliminate damage caused from dumping, and reduce weight losses. Further steps are taken each year to provide and insure a better organized tobacco program.

**Committee Elections**  
Committee elections will be held by mail again this year. The ballots will be mailed on September 6.

The slate of nominees will be completed by the present community committees. A person may be nominated by petition. The petition should be signed by six eligible voters and should be filed in the county office by August 22. The Chowan County ASC Committee has determined that there would be no change in community boundaries for 1968.

### Commodity Loans Available

Commodity loans will be available for the 1968 crop of corn and soybeans. The loan rate has not been announced as of this date. A loan may be made on both farm stored and warehouse stored commodities. For a loan to be made on corn, the corn must have been produced on a farm that participated in the 1968 feed grain program. There are no program requirements in obtaining a loan on soybeans.

### Agents Qualify For Convention

R. E. Saunders, Edenton superintendent, and T. J. Jordan, Edenton representative for Pilot Life Insurance Company, have qualified for the company's 1968 Combination Division Convention which will be held at the Chalfonte-Haddon Hall Hotel in Atlantic City.

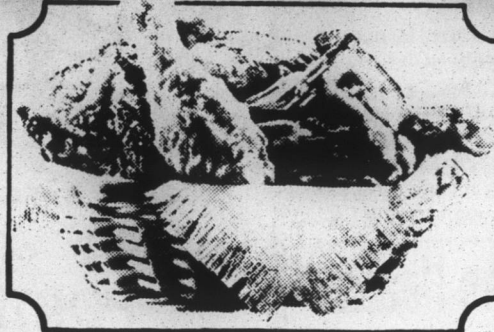

Qualification for the convention was based on outstanding sales and service to policyowners during the past 15 months. More than 500 Pilot representatives and their wives from North Carolina, South Carolina, Virginia and Georgia will attend the convention, along with officials from Pilot's home office in Greensboro.

Highlights of the convention will be the president's reception, awards banquet and an address by Fred Smith, renowned management counsel. The group will also participate in several company-sponsored activities during their three-day stay in the city.
