

News From ASCS Office

1968 ASC Committee Elections

Chowan farmers will receive a ballot to vote for ASC community committeemen to serve them from the period October 1, 1968, through September 30, 1969.

Ballots will be mailed to all eligible voters by September 6. These ballots must be mailed or returned to the ASCS office by September 16. The ballots will be publicly tabulated on September 20.

Cropland Adjustment Program For 1968

The 1968 Agriculture Appropriations Bill did not include funds for approving additional CAP agreements in 1969. Agreements entered into in 1968 and 1967 will continue in effect for the duration of the individual agreement periods. Annual CAP payments to farmers will be made October 1, 1968.

Use Of Tobacco Marketing Card

To insure proper identification of your tobacco,

the marketing card should be taken to the warehouse at the time tobacco is weighed in. The card will remain at the warehouse and will be returned to the farm operator along with the check from the sale of tobacco. Upon request, more than one card will be issued for a farm.

Use of the marketing card to falsely identify tobacco from another farm could result in heavy marketing quota penalties and reductions in acreage allotments and poundage quotas for the farms involved.

The farm operator should check the pounds of tobacco entered on the tobacco marketing card after each sale. If an incorrect entry is found, the card should be returned to the warehouse or the county ASCS office for correction.

Establishment Or Winter Cover Crops

Not only do winter cover crops reclaim lost plant nutrients, provide organic matter, and prevent erosion, but they also play an important part in maintaining granular soil structure. Planted early in the fall, they insulate the soil and prevent damage to soil structure by repeated freezing and thawing. They reduce the number of freezes and thaws, and promote and help maintain large populations of earthworms and other earth-boring organisms.

Winter cover crops protect the soil from erosion. Pasturing consistent with good management is permitted.

Visit the Chowan ASCS office and discuss conservation practices you need to carry out this fall.

Pirates Open With Parsons

East Carolina University's Pirates open the 1968 grid season Saturday night, playing host to Parsons College.

Scheduled to play against the Iowa team are Dwight Flanagan and Charlie Overton, two former stars for the Edenton Aces.

Game time at Ficklin Stadium is 7:30 P. M.

OLDS CUTLASS SUPREME—Power train improvements deliver greater economy and performance in many of the 1968 Oldsmobile F-85's including the Cutlass Supreme above. These gains are accomplished, in part, by combining an all-new three-speed automatic transmission. The new automatic transmission closely resembles the Turbo Hydra-Matic available in full-size Oldsmobiles but is smaller and lighter.

Edenton BPW Club Will Meet September 19

The first meeting of the club will be shown on the con-BPW Club will be held trol of cancer by Mrs. Thursday night, September Fran Ward. Also, the bud-19, at 7 o'clock at Eden- get for the coming year- Restaurant. A film will be presented.

All Business and Professional Women's Club members are urged to attend.

Veterans Corner

EDITOR'S NOTE: Below are authoritative answers by the Veterans Administration to some of the many current questions from former servicemen and their families. Further information on veterans' benefits may be obtained at any VA office.

Q. My husband and I have been drawing a combined social security check for a long time; now, after 40 years of married life, he plans to divorce me. Will this stop my benefits as a wife?

A. No. Your monthly social security check will continue. If your former husband dies before you do, you may then be entitled to benefits as a widow.

Q. If I receive widow's benefits and remarry, will my benefits terminate?

A. Termination of benefits depends upon the

CARD OF THANKS

I wish to express my sincere thanks and appreciation to my friends, relatives, churches and organizations for the flowers, cards, visits and prayers and all other acts of kindness while I was a patient in Albemarle Hospital and since my return home. My appreciation also for the service of the Rescue Squad, the service of Dr. Brinn and the nurses, and all the kind nurses and doctors and each orderly at the hospital. May God bless each of you.

Charlie T. Rogerson, Sr.

R-M College Set To Open

LYNCHBURG, Va.—Two Edenton residents are among 282 new students who have been accepted for admission at Randolph-Macon Woman's College.

They are Miss Jennifer Crandall, daughter of Mr. and Mrs. Nelson B. Crandall, 409 Court Street, and Miss Anne Carson, granddaughter of Mr. J. F. Wood, 105 West Gale Street.

The new students, including 267 freshman, 12 transfers and three international students, will be on campus by September 13 to begin a week-long orientation program designed to acquaint them with college life.

Randolph - Macon will have a total enrollment of approximately 870 students this year. They come from 337 states and the District of Columbia, and 13 foreign countries. About 27 per cent are Virginians. Thirty are daughters of alumnae.

Many a man who makes a little money through luck imagines himself to be a master of destiny.

Celebrating Zenith's Golden Anniversary!

Color TVs largest picture in beautifully compact fine furniture styled cabinetry

Giant 23" handcrafted quality

COLOR TV

The FULTON • 24526M

Charming Early American styled compact console with Early American styled cabinetry, two simulated drawers with antiqued drawers pulls, and bracket feet with concealed casters. In genuine Maple veneer and select hardwood solids. Illuminated VHF and UHF channel numbers.

WORLD FAMOUS ZENITH QUALITY AND PERFORMANCE

The most exciting feature in color tv
AFC ZENITH AUTOMATIC FINE-TUNING CONTROL
tunes color TV at the flick of a finger. Just flip the switch once and larger picture—because it not only tunes the color picture—but keeps it tuned as you change from channel to channel. And it even performs your fine-tuning on UHF channels—automatically.
