

BROAD STREET BULLETIN

Remember back when the air was cold,
We wished for summer's heat;
Now it's a different story told
By everyone you meet.

Some can't wait 'til it's cold again,
But I'll remind you then
Of the warmth of "Good Old Summertime"
And the heat of 110.

Perhaps I'm stretching the heat of 110 a bit, but I do love summer-time. These borrowed days of summer are so delightful, with the clear blue skies and the warm breezes, are just right, but soon it will be cold and nasty and I'll have to be shut in too much. But even then, I'll find something to be happy about, and so can you!

Bill Davis came by this week with a large bag of delicious blue grapes sent to me by his wife, who had promised to send them when their grapevine was ready. She also sent me a sample of her good grape jelly, too. This jelly being such a pretty color and good to eat, too, would win a prize at the local fair, I'm sure. I do appreciate these kind gifts so much.

Everyone's noticing the young Earnhardt's new home on Blount Street—it's so different! But then, so is Judy and I'm sure her home will be just like her—attractive, individual and an asset to Edenton—just as she is.

Chris Kehayes and her small son Martin are visitors here from Alaska this week and enjoying, I'm sure, our almost like summer weather. However, from the many pictures which Chris has of scenes around Minto, they also have some beautiful weather and the scenery is great. Pretty soon they'll be returning to the North and to Tommy Kehayes who, by the way, is the minister at St. Barnabas Mission.

Here's a good cookie recipe which I came across recently:
Peanut Marguerites
2 egg whites,
2/3 cup chopped salted peanuts,
1 1/3 cups sugar,
1 tsp. vanilla.
Beat egg whites until soft peaks form. Add sugar slowly while continuing to beat until mixture is stiff and glossy. Fold in peanuts and vanilla. Drop by teaspoons, well apart on a greased cookie sheet. Bake at 325 degrees 15 minutes or until set and slightly browned. Makes about four dozen.

A FEW HINTS
Use carpet thread to sew on buttons that have a heavy strain on them.
Hanging a washed blanket or heavy spread over two lines will distribute the weight and hasten the drying.
BY THE WAY—
