

Foster Home Licensed; First In This County

Rev. and Mrs. M. B. Motts of Tyner have been licensed by the State Department of Public Welfare as a foster home, according to Robert Hendrix, local welfare director.

Hendrix, in his routine report to Chowan County commissioners on Monday, said to his knowledge this is the first home so licensed in this county.

Mr. Motts is pastor of Center Hill Baptist Church and previously their home in Gaston County was licensed. Hendrix said two children were placed in the home during September.

In other activity, the following was reported:

Many Losing S. S. Benefits

Many people in Chowan County are losing social security benefits. There are many people who could be receiving social security benefits, but they have not filed for them. If a person 62 years old or older is working and earning less than \$1,680 per year, they may be entitled to receive social security checks each month. If they are earning more than \$1,680 per year, they may still be entitled to some checks for the year. It all depends on how much they earn. Social security will pay them a check for any month they do not earn \$140 or render substantial services in self-employment.

You do not have to be completely retired to receive social security benefits. A person's yearly earnings and the number of months they work determine how many checks they will receive.

A person 62 years old or older should contact the social security office at 401 South Dyer Street, Elizabeth City, for complete information.

The Cause Of His Downfall

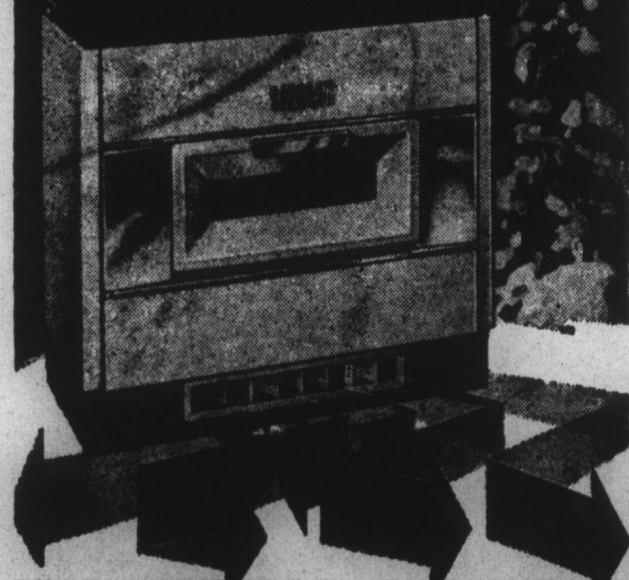

Lady—Here are five pennies for you, my poor man, but tell me how did you come to get this low?

Beggar—Ah, my dear lady, you might well ask—once upon a time I was like you—gave away magnificent sums to the poor every day.
