

# BROAD STREET BULLETIN

BY  
**Kate**

The ghosts, goblins and witches are out and little gremlins running about; It's only at night that these critters are seen, So be on your guard, it's Hallowe'en!

It's fun to see the little Trick and Treaters, but it sort of makes me angry for a bunch of roudy teenagers to be begging for treats. Sometimes I feel like maybe I'm forgetting about the antics we were responsible for when in our "teens."

Next Tuesday may be Election Day, but it is also the day for the Plant Sale sponsored by the Garden of Eden Club. All sorts of bulbs, plants and shrubs will be sold and since now is a good time for setting out many of these, go to the corner of Church and Broad Streets, where plants will be in abundance. Don't forget, Tuesday, November 5th.

We've sure had a turn in the weather, and I'm sorry, as I sincerely hate cold weather—seems like I just can't get warm. However, I must remind myself that each season has its compensations and beauty, too. Right now the beautiful red and orange berries of pyrantha and nandina are at their best, along with the many different colors of chrysanthemums. By the way, Mrs. B. L. Knox and Mrs. Jessie Perry on Cabarrus Street really know how to raise lovely chrysanthemums. In fact, each year many people buy these from the ladies—so if you would like to "dress up" your home with lovely fall flowers, call these ladies.

Buff mentioned in his column last week about the delicious shrimp curry sent to us by Mrs. June Davis of Athol, and I asked her for the recipe and here 'tis. I know you'll like it:

- 1 to 1½ cups rice or 1½ to 2 cups minute rice.
- 1 chicken bouillon cube.
- 1 cup boiling water.

- 5 tbsp. butter.
- ½ cup minced onions.
- 6 tbsp. flour.
- 2½ tsp. curry powder.
- 1¼ tsp. salt.
- 1½ tsp. sugar.
- ¼ tsp. ground ginger.
- 2 cups milk.
- 1½ to 3 pounds of cooked cleaned shrimp (4 cups).
- 1 tsp. fresh lemon juice.

Cook rice as directed on package (keep hot). Dissolve bouillon cube in water. In double boiler melt butter. Add onions and simmer until tender. Stir in flour, curry, salt, sugar and ginger. Gradually stir in bouillon and milk. Cook over boiling water, stirring until thickened. Add shrimp, lemon juice. Serve on ring of hot rice. Condiments such as chutney, pickles, pickled peaches, etc., enhance the curry dishes.

### A Few Hints

Add two tablespoons of cream to each pound of hamburger and the burgers will stay moist.

Wipe fingerprints from kitchen cabinets, etc., with a damp sponge dipped in dry baking soda.

To loosen excess glue after pasting job, rub spots with cloth dampened in alcohol.

If you collect seashells, wash them in fresh water, dry and polish them with bay oil to beautify and preserve them.

Try a mixture of peanut butter and pimento cheese for stuffing celery stalks.

## Insurance Tax Being Reduced

A lower unemployment insurance tax schedule will be in effect in 1969 and the reduced rates will save an estimated \$6 million for covered North Carolina employers.

The tax scale, which is determined by the amount of money in the state's unemployment insurance fund, will drop taxes for some employers to as low as .2 per cent of their taxable payrolls.

John Thomas, manager of the state employment office here, said the Employment Security Commission announced the new tax rate Friday, saying that employment among workers covered by unemployment insurance had been low enough to enable North Carolina to maintain a fairly high unemployment insurance fund.

The program is financed by excise taxes paid by employers on most industrial payrolls. Benefits paid to jobless workers under the program come from a trust fund maintained by taxes on the first \$3,000 paid to covered workers. A special "experience rating" feature of the North Carolina law allows companies and firms with good history of employment to qualify for reduced taxes.

The 1969 tax rates will range from .2 to 2.7 per cent for employers who have a balance in their unemployment insurance accounts, and from 2.9 to 4.7 per cent for employers who have deficit reserves.

Thomas said the commission estimates the average tax rate will be 1.1 per cent in 1969, lowest in North Carolina since 1955.

"Industrial payrolls have been increasing every year," he said, "and unemployment has been declining. With fewer unemployment insurance benefits being paid, the state reserve fund has become great enough to permit lower taxes for most employers."
