MY VIEWS OF CHRISTMAS

By MARY LIZZIE LANE

This is a wonderful time of the year,
The Saviour seems so very near;
Our days are few, our time is short;
This is the time we should make our tart.

Don't roam off and neglect the way,
You'll regret it all some day;
I want you to remember the things I sa,
You'll soon be feeble, old and gray.

God grant me life that I may live,
I'll sing your praises all through the year;
We can't call back the past, you know,
But on into the future go.

Make things right with everyone,
For you know the Saviour's coming soon;
If you have fear within
Call on Jesus—he's always near.

When the day is growing old
And the air is getting cold;
Go inside and take your chair
And thank the Lord for His care.

And when supper time has come
You'll be proud of what you have done;
When it's time to go to bed
The darkness you will not dread.

Make your plans without delay;
God may call you any day;
When the sun begins to set
Kneel and pray as the twilight fades away.

If your burdens seem hard to bear,
Take them to the Lord in prayer;
All the fame you may gain,
All the wealth you may possess,
It's nothing to compare
With that mansion over there.

Is a dishwasher practical for a small family?

Indeed it is. With an electric dishwasher you can stash your dishes away after every meal and do them whenever you want. Or when you have a dishwasher full. In the meantime, your kitchen's clean, uncluttered. You can have your dishwasher built right in under a counter. Or choose one of the popular new free-wheeling portables. Why don't you see your VEPCO-authorized Live Better Electrically dealer or plumber soon—and start doing your dishes automatically?
