Girl Scout News

By Nan Stutzman, Scribe
 On February 25 the Girl Scouts invited Brownies to a "Thinking Day" program.
 What is a "Thinking Day" program? Girl Scout "Thinking Day" is when all the Girl Scouts in the world stop and think of everyone being friends, each Girl Scout being a link in Girl Scouting, and try to keep their link strong and well.
 Mrs. Stutzman read about Girl Scout "Thinking Day." After she finished the group went to get refreshments. When the girls were finished with refreshments, they were presented with a World Association pin. Then the Brownies joined the Girl Scouts to play some games.
 Nary A Word
 Several days after his father died little Johnny was stopped in the street by a kindly neighbor. "And what were your poor father's last words?" the neighbor asked.
 "He didn't have any," Johnny replied. "Mother was with him to the end."
