Please stop for just a minute and gaze in the window at **Ross Jewelers**. You'll feel like you've had a breath of Spring. It is so attractively decorated with beautiful jewelry of all kinds, with an emphasis on the coming Spring days ahead. By the way, a new shipment of Speidel watch bands has been received and they also have many lovely engravable pins—at **Ross Jewelers**.

Looks to me like **Rose's** is getting a new look on the outside and the inside. On the outside it's new brick and on the inside it's beautiful new Spring bonnets, an array of new Spring blouses, made of Perma Press materials and priced from \$1.57 to \$2.99. Then, too, I noticed attractive 3-piece ladies' suits including skirts, pants and coats at only \$5.99 and 2-piece suits in skirts and coats at \$3.99. Where else could you find such prices, but at **Rose's**.

Again and again I have urged you to be sure to look at the attractive furniture in the window at the **Quinn Furniture Company**. This week they are featuring some very special dinette suites in several styles and designs. One very special 7-piece dinette set is selling for only \$74.95 and a down payment of \$5 will have it delivered to your home. Have you been to the **Western Gas Service Store's Clean Sweep Sale**? Let me remind you again that this is one sale you just can't afford to miss! Most all major appliances have been drastically reduced from 20 to 50 per cent. Why not take advantage of that and get that new washer and dryer or that new refrigerator you've needed so badly? There's wonderful reductions in all their black and white and color television sets, too, including Motorola and RCA. The **Western Gas Service Store** really means to make a clean sweep, so this is your time for extra large savings in stoves, washers, dryers, space heaters and televisions.
