

Shopping With You In Mind

By KATE

Wouldn't you like to serve Hot Cross Buns for breakfast on Easter morning? Well, let me tell you that you can get them, real fresh, from Shields' Bakery on the corner of Oakum and East Church Street. They are also taking special orders for Cup Cake Easter Baskets and Easter Eggs for the Easter Bunny. And, as always, you can get delicious Doughnuts, Rolls and French Bread from Shields' Bakery.

From the looks of high grass and little purple flowers, especially in our yard, it's that time again—time to get a really workable lawn mower from the Western Auto Store. If you have a large lawn you'll want one of those wonderful Wizard riding mowers, or you can enjoy easy power propelled mowers, starting as low as \$48.95. In fact, you can get most all sorts of gardening tools from the Western Auto Store.

If you're thinking of something really different to give some one for Easter, why not select a gift of jewelry from Ross Jewelers? For that special man in your life, why not get a new Anson Key Ring with engraved initials or one with the calendar plate with a small compartment

for a medical alert and car license number, etc? For that special lady, there's necklaces with many different settings of onyx, jade and the chains with crosses and lockets, or a lovely necklace of cultured pearls from Ross Jewelers.

It would be so much fun to dress up that little Miss or that little Mister with the selection of all the "pretties" from Tarkington's. The little Peaches 'N Cream Dresses, dainty Easter Bonnets, Gloves and Pocketbooks for that little girl and Jack Tar Togs and little Eton Caps for that little boy, just about sing Happy Easter. Then, of course, there's smart fashions for the young Miss and Mother, too, at Tarkington's, who wishes each of you a Happy Easter.

There'll always be music as long as the world turns and at the Griffin Musiccenter you can get recordings for pleasant listening for the entire family. There's a wide selection of beautiful recordings of hymns by such singing artists as Ernie Ford and all the latest hit records by top recording artists. Stop in, browse around and listen at Griffin Musiccenter. At Hollowell's Rexall Drug Store you can still get a good assortment of

Easter Cards and delicious chocolates by Whitman for that special person on Easter. Other exciting gifts for Easter include perfumes by Lanvin—My Sin and Arpege and Chanel No. 5. You can have your Whitman's chocolates and other gifts wrapped especially for Easter at Hollowell's Rexall Drug Store.

Ladies, why don't you visit the Gardening Department at Gene's 5c and 10c Store, where you can get the 1969 packing of Ferry-Morse vegetable and flower seeds, small garden tools, gardening gloves, watering cans, bone meal, Vigoro and Flora Moss. By the way, you can get vases for the cemetery to decorate graves for the Easter season, too from Gene's 5c and 10c Store.

Ladies, why not give your family at Easter a lovely treat by having Spring Lamb for dinner? At the P & Q Super Market you can get a leg of lamb for just 69c a pound this weekend. Luter's tenderized hams are a good buy, too, at 55c a pound; fryers again will be 28c a pound with two or more to the package, and Armour's turkeys will be 39c a pound. At the produce counter you can get that delicious and fresh water cress, potatoes at 49c for 10 pounds and bananas at 10c a pound at the P & Q Super Market.

The fashion look for Spring of 1969 sets the stage at the Betty Shoppe, where there's such beautiful and attractive Spring Bonnets in time for the Easter Parade. In fact, the entire shoppe looks like Spring, with new handbags, scarfs, blouses and many new late fashions in Spring dresses. Ladies—have fun with fashions by shopping at the Betty Shoppe.

Your favorite chocolates, Russell Stover and Hollingworth, all dressed up in Easter wrappings, are available now at Mitchener's Pharmacy. Russell Stover's chocolates include milk chocolates, nuts, chewy and crisp centers and Little Ambassador miniature chocolates. Hollingworth candies include My Hobby Box and Milk Chocolate covered assorted nuts. Let me remind you, too, to get your Hallmark Easter Cards from Mitchener's Pharmacy.

It's still time to have your Easter finery dry cleaned at the coin operated dry cleaner at the Edenton Launderette on North Broad Street. It takes only nine quarters for a nine pound load of cleaning your best clothes, the safe way for convenience. There's two cleaning machines to serve you better at the Edenton Launderette.

The Lula White Flower Shop, who has been serving this community for many years, again this Easter season has most any and all kinds of Easter corsages, including orchids, roses, gardenias and carnations. Or you may want to send that important person a beautiful arrangement of cut flowers, a potted plant, such as lilies, azaleas, glorioxias, geraniums or hydrangea. Another different and pretty gift would be a miniature rose bush or a gardenia bush from Lula White Florists.

Little Cool

"I would like to meet you again," he murmured as they glided through the waitz. "What about letting me have your telephone number?" "It's in the book," she told him. "Good! What's your name?" "You'll find that in the book, too."
