

# Shopping With You In Mind

By KATE  
Mr. and Mrs. Philip Robey, just this past Monday, opened the Colonial Motor Court and Restaurant out on Route 17 North, just opposite the Seabrook plant. The dining room, in fact the entire restaurant, has been completely renovated and is quite an attractive place to eat. You can get all sorts of delicious seafood, steaks, home-made soups and pies, as well as other delicious foods. By the way, their day starts at 5:30 A. M. for breakfast and on through the day at the Colonial Motor Court.

Mrs. Worth Layton of the Rocky Hock community called me Tuesday and told me that she has azaleas and azaleas galore for sale now, starting at the low price of \$1.50 per dozen. These come in dwarf and large plants, in all colors and some are in bloom and still others in bud. It's time for planting, so go NOW to Mrs. Worth Layton's at Valhalla for lovely azalea plants.

Here is a list of the

P & Q Super Market's dresses and pinafores for her Sunday Best — from Tarkington's.

At Hollowell's Rexall Drug Store, you will find a registered pharmacist ready at all times to fill all your doctor's prescriptions accurately and very promptly. And the courtesy that you find from each of the personnel at Hollowell's gives you the feeling of individual attention, as well as having the knowledge that your prescriptions will be given prompt attention. For security in filling of prescriptions, it's Hollowell's.

There's an "After Easter" sale going on at Tarkington's with values you won't want to miss. For instance, all children's hats have been reduced one-fourth from their original price and ladies' spring hats have also been reduced a third. Many of you with little girls will be glad to hear that a brand new shipment of Martha Miniature dresses have been received. These are those cute dressy

Early spring suits, coat and dress ensembles and individual coats and dresses at great reductions are featured this week at the Betty Shoppe. This is wonderful for right now when the weather is apt to still be cool enough to wear suits and coats. There is also a group of ladies' spring hats which have been reduced one-half, so make your money go a lot further with these remarkable fashions from the Betty Shoppe.

With a new product added to the dry cleaning machine at the Edenton Launderette, you can wash your fine woolens, slip covers, draperies and other fine fabrics and have them come out like new. This new product, a zizing, will give your clothing, etc., the original body and will restore them to their primary freshness. NOW is the time to use the two dry cleaning machines at the Edenton Launderette on North Broad Street.

With spring come all the warm weather games for children, such as the game of marbles for little boys and girls sometimes, too. At Gene's 5c and 10c Store there's marbles of all colors in crystal and cat's eyes, ready for that important game. A new toy, the fabulous flying machine, a zoom-a-rino which will fly, dive and glide, a very exciting toy and, of course, at this time of year there's always a rush on sand buckets and shovels and you can get them now at Gene's 5c and 10c Store.

It's getting near prom time now and if ever a girl wants to look her best, it's for that important high school dance. If she JUST had one of those pretty rhinestone tiaras for her hair, she would feel like a queen. At Ross Jewelers these tiaras are available, as well as dainty rhinestone earrings for pierced ears. Why not thrill your favorite teenage Miss with a gift of jewelry, such as those from Ross Jewelers?

The Western Auto Store has just received a new shipment of air conditioners, refrigerators and freezers, just in time for the coming hot weather. There's the new "side by side" refrigerator-freezer, so practical for all families and the new combination upright freezer-refrigerator with large storage spaces. There's air conditioners and window fans, so necessary in hot weather and in many sizes, suited for any home and any room in your home. Now is the time for a good selection in these and other Wizard household appliances at the Western Auto Store.

Don't put off buying your Mother's Day cards, as I did at buying Easter cards, and then have nothing to choose from. NOW, at Mitchener's Pharmacy, there's a new and large assortment of Hallmark cards for Mother's Day and it is time to select them. May 11th is that important day, so make your trip to Mitchener's Pharmacy and get your Mother's Day cards.

I noticed recently while walking through Rose's that you can get almost any kind and color of ladies' blouses that one could want to go with skirts, shorts or jumpers. These blouses, including overblouses and blouse-shirts, range in price from \$1.99 to \$2.99. All sizes in ladies' shorts are available, too, from \$1 to \$1.99. There's cute suits for children with matching shorts and tops from 99¢ to \$1.66 at Rose's.

Changing Times  
A teacher asked her class the difference between a primitive man and a modern man. Johnny answered: "When his wife talks too much a modern man goes to his club. A primitive man just reached for it."
