Keep It Beautiful

If America hired people for the job, it would take the largest sort of army to keep our country free of litter.

But there's no need to hire anyone. It's a job we can do for ourselves. All of us. Every family that spreads a picnic lunch. Every boatman who cruises the lakes and waterways. Every motorist who uses our roads and highways.

It is the pleasure of the U. S. Brewers Association each year to give its fullest support to the Keep America Beautiful Campaign. Remember: Every Litter Bit Hurts. This is our land. Let's treat it right.

Remember, you don't have to spend a million to look like a million. Just be sure to get a lot more for your money.

Example: Cutlass S. This one's got Olds class and quality written all over it. There's a Rocket 350 V-8—that runs on regular gas. A genuine Olds ride and handling action that make you feel like a million, too. There's even an anti-theft steering column lock you can't get on many cars at any price.

Put them all together and they add up to extra value that goes far beyond the modest Cutlass price.

How to look like a million on the same old budget you had before.
