I'm beginning to feel like I'm getting old,
My knees want to buckle and my legs want to fold.
But I can't give in to sitting on a cushion,
So the only thing left is to keep on pushin'.

Mr. "B" and I are both means another breath of trying to push our way out of these doldrums and we hope pretty soon to go fishing. Can't tell why we both fell apart at about the same time.

You can tell that I'm getting somewhat better as I'm beginning to "preach" again. Most every morning we find that our front yard has been used for a dump, more or less. Anything from beer cans, soft drink bottles, cardboard cartons and all sorts of paper are thrown about in the grass. But it isn't only in our yard. It seems to be most everywhere where people pass by. I'm sure it is just carelessness and thoughtfulness, but Edenton is such a pretty town; why clutter it with garbage and trash?

Edenton Student Heads Honorary

GREENVILLE—Phi Alpha Theta honorary fraternity at East Carolina University has inducted 10 new members and elected officers for the next academic year.

Larry Parks of Edenton, a rising senior history major, was elected president of Lambda Eta Chapter. He is the son of Mr. and Mrs. Luther C. Parks, 817 Cabarrus Street.

Serving with Parks during the fall and winter quarters of next year will be Brian Shul of Cherry Point, vice president; Carolyn Ridge of South Boston, Va., secretary; and Terry Huffman of Hampton, Va., treasurer.

Phi Alpha Theta emphasizes outstanding achievements in history and requires for membership at least 20 quarter hours of credit and a B average in history.

One night this week the Buflap home was without a phone and we felt lost and cut off from the outside world. This was not so good, as we've both been on the ailing side and we hate to be without a phone. So we had a neighbor report our phone out of order and even after dark, one of the phone company's linesmen came to repair the damage, where an unknown car had hit the telephone pole across the street and broken the line. We do appreciate this kind of good service from the telephone company. Now we're wondering how a No Parking sign was knocked down, glass over the street, a rear mirror in the gutter and the pole was damaged and no one heard or seen it. Someone in a hurry, I suppose. Anyhow, thanks again to the young man from Rocky Hock, who missed his supper just to repair our phone.

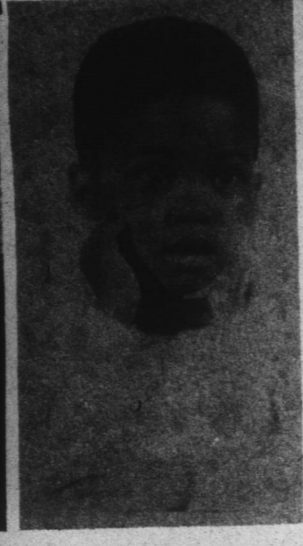

Here is a recipe for Tuna Fish Casserole, sent to me by a good friend:

- 1 can tuna fish.
 - 1½ green pepper chopped fine.
 - 1½ onions chopped.
 - 1 tsp. celery seed.
 - 1/3 cup mayonnaise.
 - 1 small box macaroni.
 - Salt and pepper to taste.
- Cook macaroni, add tuna fish and other ingredients. Sprinkle with cracker crumbs and heat thoroughly in oven.

The Old Days
Long before the days of television, baseball entered the living room—but the window panes had to be reset.

Advice To Borrowers
If you must borrow, do it from a pessimist. He doesn't expect it back any way.

It Is That
