

### Home Security Conference Set

Three members of the Home Security Life Insurance staff in Chowan County this week are attending a Leaders' Conference in Asheville.

J. D. Elliott, staff manager, along with Ike Harrell and Woodrow Slade, are in Asheville for the three-day event. All six agents of this area qualified for the conference.

Elliott, staff manager and town councilman, will be recognized as the leading staff manager in the Durham-based company. There are 76 staff managers in the firm.

### Shopping With You In Mind

If you'll notice in the window of **Hollowell's Rexall Drug Store**, you'll see the many price reductions on summertime Rexall products. For instance, you'll be glad to get the new spray can of that much used Calamine Lotion, first aid sprays, garden sprays and insect sprays. The Buffered Aspirin mouth

wash, Redi spray antiperspirant and facial tissues are also among the many specially priced articles on sale at **Hollowell's Rexall Drug Store**.

The **P & Q Super Market** who will, by the way, be open all day of July 4th, has many easy to cook items on special this week-

end, especially for you who plan outdoor cooking. Shoulder steaks at 79c a pound; barbecue style chicken legs and breasts at 39c; 2-ounce chuck wagon steaks, 10 for \$1; 2 pounds franks for 99c and the charcoal for the grill, 10 pounds for 59c. There'll be plenty of local produce, also, so plan to shop at the **P & Q Super Market**—in a cool and friendly atmosphere.

### A Thought to Remember

By **MARVIN BARKHAM**

ALFRED B. NOBEL, inventor of dynamite, bequeathed \$9,000,000 in 1896, the interest to be distributed yearly to those who had most benefited mankind during the preceding year.

Nobel Prize winners are chosen from five categories: Physics, Chemistry, Medicine, Literature and Peace. Under the heading of "Peace," you will find a number of years listed: "Not Awarded." This has happened 12 of the past 60 years.

Why? They say there are some years when no great contributions are made to peace.

Do we actually live in a world where there are years that pass without laborers for peace? On this we disagree. Maybe the great names fail, but there isn't a day that passes that hundreds of individuals aren't in there plugging. The school teachers who are shaping student minds; the ministers who calm and direct lives. The good neighbors—the people who care. It is through the efforts of the many considerate people that our world is held together. Right here in our community there are those who work for peace every day of their lives.

**LADIES!** Even if you don't have a grandbaby, you just couldn't help yourself from wanting to buy those cute little imported diaper sets for babies from **Tarkington's**. The sets for little girls are adorable, all in pastels, dresses and rubber pants to match and for the little boy babies, there's the tiny pants and shirts with rubber pants to match, just too sweet for words. There's also a Fourth of July Sale going on, too, with all pants dresses, shorts and summer dresses reduced. And there's lots of summer fashions left at **Tarkington's**.

Have you seen the new **Mini Bike** at the **Western Auto Store**? Most anyone can ride one and they're quite inexpensive at only \$169.95. They're quite "the thing" now for riding pleasure and business, too. For the coming holidays, when you'll be having cookouts, why not buy one of those new bug killing lights for your screened-in porch or your camping areas? And for these very hot days, let the kids have fun with a swimming pool, from the **Western Auto Store**.

I walked in the **G. T. Davis Jewelry Store** this week and found them "prettying up" some of their silver with silver polish by **International Silver Company**, and it seemed quite easy to make each piece of silver just gleam. By the way, a new shipment of lovely **Fostoria Crystal** in unusual pieces has been received, which will make great gifts for the season's brides. Other suggestions as gifts are the new pieces of **Corningware** in Avacoda and Lemon, as well as the popular **Centura** pattern — from **G. T. Davis Jewelry Company**.

**Rose's** Fourth of July's weekend specials include one particular item which all of you ladies would really like to own and now's the time. This weekend only you can get **Pacific sheets**, double and single, fitted and flats, in the popular **Daisy Prints** for only \$1.99 each, with pillow cases to match at \$1.38 a pair. Another extra special item is a sale on **nylon**, first quality, hose at only 29c a pair. Girls' back to school dresses are a good buy also at 2 for \$5 at **Rose's**.

So many of us have trouble with watch bands breaking during this hot summer weather. Well, why not replace that old watch band with a new **Speidel band** from **Ross Jewelers**? It really is too risky to hold on to a worn watch band attached to anything as valuable as a good watch such as **Bulova**, **Accutron**, **Caravelle** or one of the many standard **Bulova** watches from **Ross Jewelers**.

Just in time for a wonderful vacation starting with the coming **July Fourth**, the **Betty Shoppe** has reduced much of its sportswear, including 3-piece sports suits, pants and tops to match, skirt and jacket outfits, **Peek-a-Boo** dresses and shorts. Also the entire stock of **Flair Bottom** and **Bell Bottom** Pants have been reduced. Shop now for vacation fashions at the **Betty Shoppe**.
