Festival Set In Plymouth

PLYMOUTH—Miss North Carolina, Miss Patricia Elaine Johnson, will be the special guest of the Plymouth Jaycees when they present their 13th annual Water Festival on Saturday and Sunday.

The big feature of the two day event will be the American Power Boat Association boat races. This is always an exciting event to watch.

The Water Festival will begin at 9 A. M. At 9:30 a water skiing contest will be held. Following the ski contest, a new Water Festival Queen will be selected. Miss North Carolina will crown the queen. From 11:30 until 1:30 a barbecue lunch will be served at the Plymouth fire station.

The U. S. Coast Guard will have on display a 18-foot Coast Guard boat on trailer. Three Coast Guard men will be on hand at the display.

For the kiddies there will be train rides, pony rides, dart gallery, ducking machine and the world's number one dog, the hot-dog stand.

At 1 P. M. on Saturday the APBA races will begin.

Saturday night from 9 o'clock until 1 A. M., a dance will be held at the Plymouth Moose Lodge. The Shadows of Washington will be the band for the event.

On Sunday, action begins at 12:30 with more APBA races beginning at 1 P. M.

Larry Chesson, chairman and Larkin Little, co-chairman of this year's Water Festival, invite everyone to attend. All proceeds will be used for local community projects.

More Strings Wanted
The North Carolina Symphony currently has 65 performing members. One of the goals of the orchestra in its Ford Challenge fund-raising campaign is to be able to increase the size of the symphony to at least 80 musicians. Conductor Dr. Benjamin Swalin explains that such an increase would bring the all-important string section up to the proper level, bring better tonal balance and provide more satisfying orchestral sound.

Increase Noted In Tax Payment

RALEIGH—North Carolina motorists have increased their annual tax support for highway transportation by about 66 per cent during the past decade.

An analysis by the Automobile Manufacturers Association shows North Carolina state highway user revenues have risen from \$128 million in 1958 to \$214 million last year. Included are motor fuel taxes, vehicle registration fees, motor carrier and other miscellaneous user charges.

The study as reported by Joseph J. Moylan, AMA regional government relations and information representative, shows annual tax receipts from the sale of motor fuel climbing from \$97 million to \$151 million in the 10-year period.

Moylan pointed out that North Carolina also provides about \$152 million annually to the federal government in automotive excise taxes.

He said that special motor user taxes now represent 21.8 per cent of total North Carolina state taxes.

SUNDAY SCHOOL LESSON FOR THIS WEEK

Continued from Page 6

"Here I am," he said. No questions—quibbling—just complete surrender.

In studying the story of Jacob, we cannot help but realize that ambition that leaves God out can easily become ruthless and self-centered, as with Jacob. Ambition is fine, in its place, but if we are to be truly worthy heirs of God's covenant (not just to Israel, but to all mankind) we must be God-directed. We, as heirs of the covenant, must be worthy of it; our children—as our heirs—must also be worthy of it. It is not enough for us to provide them with the material riches of life—we must also provide them with the spiritual riches—and the guidance that insures they wisely use these assets and attributes. Parents must ever be conscious of themselves as God's servants, in order to convey to their children a sense of destiny and purpose—God's purpose.

And perhaps the most valuable knowledge we can pass on to those that follow us is the assurance that God never sends us anywhere that He will not accompany us; He never assigns us a task with which He will not help us. The ways of God are beyond human understanding, but they will have their purpose in our heir-achy.
