

**"Shopping With You In Mind" . . . By Kate**

When you go into the Quinn Furniture Company, you just can't help but notice the very attractive grouping of a drop leaf table, a mirror and a lamp on the landing at the head of the stairs. This pleasant looking "get together" is by Bill Norvell, the new manager of Quinn's, who plans on making other new improvements for a more attractive and modern furniture store. By the way, if you'll just stop to look, you'll find a collection of beautiful lamps by Cambridge, in the window of the Quinn Furniture Company.

Why not take your children on a trip to Penwell's Pet Shop on South Broad Street and let them see the many different pets, including a large monkey called Willie, a squirrel monkey, a new and young Mynah bird, hamsters, guinea pigs, gold fish, white rabbits and this week a new shipment of tropical fish will arrive. Have you noticed the large display of new bicycles at the Western Auto Store? Fishing tackle is going strong now, too, at Western Auto, with all kinds of salt and fresh water lures, lines and rods. Take a peep in the window, also, at the attractive dinette furniture at the Western Auto Store.

Just think of what fun it could be to make a play-back of some family reunion or other gathering when you tape all the activities on your new Norelco Tape Recorder from the Griffin Musicenter. many pre-recorded Cassettes which you can get for your enjoyment to play on your Norelco Tape Recorder from the Griffin Musicenter.
