

BROAD STREET BULLETIN...

By Kate

A little dog and a little girl,
Both wanting love and attention,
Will keep you busy all day long
With things too numerous to mention.

But the days have passed too quickly,
And there'll be memories in our home
Of a little girl's sweet laughter
And a small dog's knawed-up bone.

Please bear with me when it seems that all I can think or write about is my small granddaughter, but, believe me, although I do keep mighty busy, she keeps uppermost in my mind, especially when I know her days with us are few.

Seems as though you can feel a difference in the air these days. Not only weatherwise, but vacations are ending, fashions are changing and that "back to school" threat is hanging over many. But for many of us, the passing of time is depressing, unless we do keep very busy.

It won't be long until our friend, Miss Lena Jones, will be back home and I hope ready to teach again. There are a few people in our lives who seem ageless, and Miss Lena is one of them. Then, of course, there's Buff, who is always "young." Now we have a visitor, my children's grandmother, who will soon be 88, but sometimes I think that's a mistake, as she, too, has forgotten Father Time. Staying "young at heart" is really the answer.

Myrtle Cuthrell and her spouse and Freida White and her husband have just returned from a vacation trip in the mountains of North Carolina and Tennessee. Myrtle tells me that she had a wonderful time an enjoyed travelling very much, but the mountains were a "little high."

No matter where one goes, you'll be apt to see someone from home. This past Monday we went to the Norfolk Airport to meet Grandmother Zimmerman and while we were waiting, we spied Emma and Haywood Bunch and their daughter, Sandra, and when we were leaving we

saw Ethel and Leo LaVoie leaving also. A small world . . .

Here is a recipe for a quickie sherbert, and it's really good:

- 1 quart milk.
- 1 cup sugar.
- 2 eggs.
- 1/2 lemon.

1 small can crushed pineapple.

Beat eggs thoroughly, add sugar and beat. Then add milk and pineapple. Freeze to mush, then beat again and add lemon juice. Return to freezer and freeze hard.

A Hint Or Two

Peas and carrots, corn or beans get a flavor boost when a little light corn syrup is added during cooking.

A piece of charcoal in the water of a vase will keep cut flowers fresher.

When serving ice cream, chill the saucers before serving and the ice cream will not melt so quickly.

Revival Slated At Shiloh Site

Revival services will begin at Shiloh Church of Christ, Pea Ridge, August 18 and will run through August 22. Elder B. T. Bomcer of Pantego will be the evangelist for the week with the assistance of the host pastor, Elder Aronius S. Cooper.

Different choirs will sing each night, and services are scheduled to begin at 8 o'clock. Everyone is cordially invited to attend.

Drive more carefully than ever and thus make doubly sure the safety of your own life.

Money may not explain everything but it makes clear the motives of many people.
