

# Shopping With You In Mind

By KATE

Gene's 5c and 10c Store.

at your leisure, from the Griffin Musiccenter.

When I walked in the Davis Jewelry Store this week, they were unpacking some new, imported original cut glass and it is simply beautiful. There are serving trays, compotes, vases, butter dishes, salt and peppers and many other unusual pieces which you will want for yourself or for a gift if you can part with them. Another "NEW" shown to me was the pre-engagement rings for the young sweethearts everywhere, but now from G. T. Davis Jewelry Company.

Most women and girls, too, get a real thrill in owning a music box and there are such pretty ones at Ross Jewelers. These music boxes and many figurines are among the recent shipments of imported gift items received recently. The pure white figurines, looking almost as if made of alabaster, and the imported Swiss music boxes make wonderful gifts for someone you especially love. For the unusual gifts, shop at Ross Jewelers.

Tarkington's has recently received a new and complete shipment of Peaches 'N Cream back-to-school dresses for the young miss. These fashions include lovely styles in dark cottons, the versatile jumper dress and many other individually attractive dresses. By the way, all children's pants dresses, shorts, etc., in summer merchandise is now on sale—buy one and get another for half price at Tarkington's.

Since this weekend brings a long holiday, why not prepare for it with easy to prepare food, such as an outdoor picnic with barbecued chicken, since it's so cheap at 29c a pound at the P & Q Super Market? Or you can boil or bake a portion of one of those tender Gwaltney country hams, priced this week at 79c a pound. Then, of course, a cook-out with T-bone or porterhouse steaks at \$1.19 a pound would be a drawing card to the entire family. Along with all the delicious summertime fruits and vegetables, you can have a wonderful weekend, via the P & Q Super Market.

Every housekeeper and housewife knows that it is almost impossible to have too many scatter rugs, as they must be cleaned often. So why not get a supply of washable scatter rugs from Ron-Wood Carpet Company? These rugs come in many sizes and colors, starting at the low price of \$2.39. Also, you can get the ever popular Cocoa Door Mats now for \$2.89 at Ron-Wood.

Have you seen the array of wigs on parade coming from the Nu Curl Beauty Salon? You can say for sure, "Only Her Hair Dresser Knows." Irma Allsbrook says, if you have any hair problems, she will be glad to consult with you and have one of her expert hair stylists to style your hair and give any other beauty service you desire. For appointments call 482-3313. However, appointments are not always necessary at the Nu Curl Beauty Salon.

It's not too late to shop for all the school supplies needed, for at Hollowell's Rexall Drug Store there's still a good selection, as stock is being replenished each week. I noticed, especially, this week a black leather zippered bag, which could be used as a school bag or even as a weekend bag for the college student. There's all sorts of loose-leaf binders starting at 88c each and those with the Aces insignia for \$1.19. Clip board note books sell for \$1.19 and the single clip board sells for 77c. So you see, for most all grade levels, you can get complete school supplies at Hollowell's Rexall Drug Store.

The Western Auto Store reminds you men that the dove hunting season opens officially on Labor Day, so be sure to be ready with the proper rifles, shot guns and shells. Which reminds me that the Western Auto Store is running a Dove Hunter Special with dove shells at \$1.99 a box. You can get other hunting supplies, such as gun cleaning kits, gun cases, coats, pants and boots. And don't forget one of the most important items, your hunting and fishing licenses—from the Western Auto Store.

Here's an item for you young men, especially, or in fact for any of you who might want to give that special young lady a gift for remembering. At Mitchener's Pharmacy you can get the "new" Coty's gift of perfume, in a small vial, protected by your favorite Penguin. For the "going away to college" gal, this would make an impressive gift and one she'll remember from Mitchener's Pharmacy.

Now for this in-between season, fashion calls for dark cottons, for work, play or for dress-up occasions. At the Betty Shoppe, right now there's a most attractive selection of these Fall fashions, by Country Miss, Country Junior and Hobnobber. For the lady 5 foot 5 and under, you can get half sizes by Korell, Country Systems and City Scene. Bleeker Street brings you, also, delightful fashions for the young miss. Shop today for early Fall fashions from the Betty Shoppe.

Pink jasper is the gem of those born under the sign of Virgo, dedication to detail their main trait, and the cornflower their flower, according to FTD florists.

With their practicality and drive toward perfection, Virginians get a bouquet for being fine craftsmen, but they are also able in matters that require analysis and discrimination. Systematic and disciplined, Virginians often serve their fellow man through volunteer work or elective office. Virginians major problems, however, are buoying their optimism and curbing their intolerance and aloofness. Their thrifty ways, however, make them excellent managers.

Each week I notice added attractions and innovations at the Quinn Furniture Company, which goes to make it one of the most modern furniture stores in Edenton. This week they have so attractively displayed on the entire side wall reproductions of many famous paintings, so if you have a yen for a particular scene or painting, or have a special place in your living room or den which needs a lovely painting, you'll find it at the Quinn Furniture Company.

At Gene's 5c and 10c Store you'll find almost every conceivable kind of Back-to-School equipment that you could need. For instance, you can get, at a very low cost, the Royal portable typewriter, pencil sharpeners, file boxes with locks, note books, book bags, lunch boxes with or without thermos bottles. You roll top pencil cases, ball point pens—in fact, if its around, listen to and select for school, you'll find it at
