THURSDAY, OCTOBER 2, 1969

A LIFT FOR TODAY

God so loved the world that He gave His only begotten son.—John 3:16.

Christ came not to condemn the world, but that we might triumph over sin, sorrow and death.

For Thy matchless gift, we thank Thee, merciful Father.

Mr. Faircloth, 50 Taken In Death

Donald R. Faircloth, West Queen Street, died suddenly at his home Monday morning. He was 50.

Mr. Faircloth was president of Edenton Construction Company, Inc.

Funeral services were held at Edenton Baptist Church, where he was a member, at 3 P. M., Tuesday with Rev. R. N. Carroll officiating. Burial was in Beaver Hill Cemetery.

Mr. Faircloth was a native of Spring Lake. He was born September 25, 1919, son of B. A. Faircloth of Fayetteville and the late Mrs. Minnie Thornton Faircloth.

In addition to his father, surviving is his wife, Mrs. Dorothy Twiddy Faircloth; three sons: Donald M., Michael E., and Andrew A. Faircloth, all of Edenton; two daughters: Mrs. Sharlie Spruill and Miss Cindy Faircloth, also of Edenton; two brothers: Ralph and Sam Faircloth, both of Spring Lake; four sisters: Mrs. Mack Wickers of Aberdeen; Mrs. R. W. Wood, Mrs. Jonas Trumble and Mrs. Ronald Formulak, all of Fayetteville; and one grandchild.

He was a member of the VFW, American Legion. He was a Mason. A veteran, he served in the U. S. Navy during World War II.

Pallbearers were: Gene Perry, Clarence Bass, John Parrish, Bill Sawyer, Kermit Layton, Johnny Oliver, Luther Parks and Linwood Lane.

Colonial Funeral Home was in charge of arrangements.

SOWERS SPEAKS

Continued From Page 1

he said.

William H. Bunch, immediate past chamber president, presented the Senior Citizen Award to Davis. He worked with Davis at Peoples Bank & Trust Company for many years.

Davis has been characterized as one of Edenton's most ardent boosters, working for community, church and civic programs.

This is the second such award given. J. H. Conger, Sr., earlier received the award.

In his acceptance remarks, Puryear plant manager of George C. Moore Company, cited the area's industrial progress and the important role the chamber has played in it. He said an equal amount of effort should be expended toward other activities designed to provide a more diversified organization.

Heard & Seen
"By Buff"

As of Wednesday of this week, Edenton has lost a couple permanently which is caused by Dr. and Mrs. Wallace Griffin moving to Fort Pierce, Fla. For several years they have spent the winter months in Florida but returned to Edenton for the summer. This time, however, they left, bag and baggage, to remain in Florida. Doc Griffin has practiced dentistry in Edenton for 42 years and his daddy, Dr. E. J. Griffin, practiced 34 years before him, which is a long time for two fellows to be pulling and filling teeth. Doc has now retired and will, no doubt, spend a lot of time fishing at Fort Pierce where, he says, there's the best fishing in the country. One of these times, maybe, I'm liable to see if Doc is right. Which reminds me that Edenton is well represented by doctors in Florida, besides Doc Griffin, Doc Bill Hart and Doc Louis Ferguson also now make their home in Florida.

On Saturday morning a group of energetic Cub Scouts are scheduled to be rambling around the downtown section selling peanuts. The boys are very anxious to raise a little money, so that they'll be grateful to anybody who will buy some of their peanuts.

Here's one who likes summertime better than the winter weather. However, there's one thing at least in favor of this time of the year. When a fellow shakes the saltcellar, salt will come out.

The open season for herring breakfasts at the Methodist Church will begin next Saturday morning when members of the Methodist Men's Club will dish out pickled herring to all who turn out to eat. The breakfast will be served from 7 to 9 o'clock, and there's been quite a few people who have been waiting for this favorite dish.

Just about the major attraction in downtown Edenton early this week was the demolition of the old Hobowsky home on West King Street. The property was purchased by the Town of Edenton and will be transformed into a free parking lot which will accommodate about 40 automobiles. The Hobowsky family occupied the house for something like 45 years, but it is gone by now. Quite a few people watched the Waff Brothers tear down the house and, of course, there was a lot of reminiscing.

Mrs. Herman Edwards had an enjoyable experience last week. She had as her guest her brother who she had not seen in 35 years. "There sure was some talking going on," said Mrs. Edwards. Well, there's some talking into the wee sma' hours at our house when some of our relatives visit us whom we've seen much less than 35 years before.

Lorch Stallings had an odd experience with figures. In January, 1969, he purchased two automobile license plates which were numbered 2217 and 2218. Then recently he got a new telephone number which is 2219. Maybe if he had kept track of the speckled perch he has caught, the figure might have been 2,220.

Well, the Edenton Aces have a perfect record thus far this season, but Friday night they'll get a real test when they buck heads with Northeastern High School of Elizabeth City. Northeastern is by far a larger school than in Edenton, so that they should break the Aces' winning streak. But then, of course, funny things happen in football. Anyway, the game will no doubt attract a record crowd due to the keen rivalry on the gridiron between Elizabeth City and Edenton. Then, too, both bands, together with a corps of cheerleaders, will be on hand to add color to the game. Better go a bit early to get a seat!

A lot of us fishermen throw away some of the smaller fish we catch. But not so with Horace Green. "If they're big enough to bite my hook," says Horace, "they're big enough to eat."

as director of the important Department of Conservation and Development. As an industrialist he can speak with authority about the attitude of established industry when a newcomer wants to graze the same pasture.

While those who meander here have been accused of being clannish, satisfied with the status quo, etc., the record of accomplishment is evidence alone that such a brand is not justified.

Hardly a week passes that some industrial prospect is not entertained by the efficient Edenton Chamber of Commerce. And the doors to every existing industrialist is never found closed. They talk freely and honestly about what the community has to offer.

Those who enjoy membership in our industrial family are not jealous of their labor force—they are darned well proud of it. They never miss an opportunity to expound on the trainability of those who enjoy living along the Public Parade. Mr. Sowers' speech needed delivering. He did it in Sanford. It was of such importance that it should be delivered again and again. But Chowan County was hardly the proper place for one of those agains.

Play Being Cast

Edenton Little Theater, a bold group of amateur performers, tackle another first this fall when they stage a young people's production.

"The Emperor's New Clothes" has been chosen for presentation at John A. Holmes High School Auditorium on November 20 and 22. Special dress rehearsals will be given for high school students.

The Charlotte Chorpensing play will feature a cast of students from grades seven through 12.

Mrs. Jane Holmes, who has been chosen to direct the play, said casting is now in progress. Students to participate are from Holmes, Walker and Chowan schools.

HANDICAPPED WEEK

Continued From Page 1

satisfaction to get these people into the working force.

Mayor George Alma Byrum joined Gov. Bob Scott in a proclamation pointing specifically to the disabled veterans returning from Vietnam. However, the proclamation urged all employers to give full consideration to all handicapped workers consistent with their capacities.

"It has been demonstrated that the handicapped can be restored through vocational rehabilitation to productive and satisfying lives," Blackley said. "They can be helped to become self-supporting. They depend heavily, however, on the opportunity to work."

LEARY HELD

Continued From Page 1

Leary was arrested in a boat some 100 feet from the county dock at 1:30 A. M. Sunday. The hammer allegedly used in the assault has not been found. A screw driver was found on the bed but Miss Elliott said she does not remember being struck by it.

Investigation showed the Elliott home was entered by cutting a screen on the back porch and breaking the glass in a storm window.

During the hearing the defendant appeared unconcerned. He dozed repeatedly and had to be awakened by his attorney, W. J. P. Earnhardt, Jr.

The next session of Chowan County Superior Court is set for November 24.

ACES AT HOME

Continued From Page 1

game is expected to be one of the top contests in Northeastern North Carolina this season with preparations being made for a record crowd.

The Aces, after winning three games, had to come from behind last week when the Fighting Scots posted a score early in the opening period. Edenton managed to push across three TD's to go into the dressing room at halftime with a 21-7 lead—a score which stood the remainder of the game.

Gigi Leary and Earl Chesson, believed to be the two fastest runners in the conference, thrilled the audience with long scoring plays.

Leary had a magnificent night, scoring twice on runs of 28 and 71 yards. Chesson posted the other Edenton score on a 63 yard run.

The Scots surprised the Aces with their attack that resulted in a score with less than four minutes gone in the game. The Aces, however, managed to recover and halt future threats.

Linebacker Johnny Barrow, Larry Felton, Elliott Harrell and Bill Lewis were big guns in the Edenton defense.

Joe Bunch kicked one extra point for the Aces while a Chesson to Leary pass was good for the other two points.

Snowden Appeals Court Conviction

Sheriff Troy Toppin led a raid on a rural home Saturday night which resulted in two arrests for possession of untaxed liquor. Arrested were Lonnie Snowden, 55-year-old Negro, Route 3, Edenton, and Nell Snowden.

Officers testified in Chowan County District Court Tuesday that they found two and one-third gallons of illicit booze on the premises.

Snowden was convicted and his wife freed. Judge W. S. Privott sentenced the defendant to two years, suspended

upon payment of \$250 fine and costs. He gave notice of appeal and bond was set at \$500.

Three driving drunk cases were heard. James Alvin Bembry, Ephraim Jordan Boyce, Jr., and Edward Sylvester Williams were given identical sentences of four months, suspended upon payment of \$100 fine and costs.

William S. Griffin, charged with no operator's license, was sentenced to 60 days, suspended upon payment of \$25 fine and costs.
