

BROAD STREET BULLETIN...

By Kate

Are you concerned about your neighbor?
Do you let her know you care?
About how she keeps her figure
Or if she dyes her hair?

Does she wear a wig or dentures;
Do you often wonder where
She spends her time and money,
Does she know you really care?

If you answer "yes" to all these questions
You're probably unaware
That your neighbor couldn't care less
If you Do or Do Not Care.

The past week has been a busy one, with the mobile X-ray unit being here and me trying to work at it, then there was the very successful fish fry by the local Eastern Stars, not to mention everyday things and fishing besides—yep, we've been real busy. But to be happy and busy is good for one's soul, even though I know that it's almost too good to be true.

Thanks to so many of you who are sending me recipes, household hints and best of all friendly letters of encouragement, which I need and treasure. I am definitely not a writer and no one knows it better than I do, but I enjoy it and your letters help so much.

Many times, as I walk through the stores, shopping, I notice here and there odd things sitting on shelves, such as perishable foods set out on the way shelves, perhaps with the beans, paper towels, etc. Shoppers will select them, then decide they do not want them and set them down anywhere and consequently they're unnoticed for a while and left to spoil. One store manager pointed out to me this week when he discovered a part of a coca cola on a shelf where Halloween decorations were displayed that not too long ago a careless shopper left a soft drink in a cup on a shelf where ladies' clips had been stocked and the drink had been spilled and ruined about a half dozen slips. Many of us are very careless about such things, not really meaning to be destructive, so let us each be a little more careful.

A reminder: the women of the Edenton Methodist Church are having a chicken salad luncheon Thursday, October 23, and will be glad to deliver as many plates as ordered. This is

a delicious lunch, as these women are famous for—so call the church for your orders—on Thursday.

Services commemorating the Week of Prayer will be held at the Edenton Methodist Church this coming Monday, October 27, at 4 P. M. Why not come for a quiet hour of prayer and meditation?

Mrs. E. R. Wilson, who lives on Route 2 north, sent me this good recipe this week and I'll share it with you. It's called Plum Nut Cake:

- 2 cups self-rising flour.
- 2 cups sugar.
- 1 cup Wesson oil.
- 3 eggs.
- 1 cup nuts or raisins.
- 1 tbs. mixed spices.
- 1 jar of Junior baby food plums.

Beat eggs well, add sugar, Wesson oil and flour mixed with spices. Then add remaining ingredients and bake in a tube pan for 45 minutes at 350 degrees. Thanks, Mrs. Wilson.

Another friend, name unknown, sent me this week a recipe for Pumpkin Squares and I'll give you that next week. Also she sent me some hints to use, such as: Drop small slivers of soap into a foot of nylon hose, cut off excess leg section and knot at one end. Use for washing lingerie. You can also fill a nylon foot section with moth balls, tie the stocking to the top of a wire clothes hanger and hang in garment bag to prevent moths. More next week.

My apologies to Mrs. Vivian Mooney of Raleigh, who came by especially to bring me a favorite recipe and woe is me—I've lost it somewhere. Please, Mrs. Mooney, send it to me again.

A reminder: Read Kate's Shopping Guide.
