

Shopping With You In Mind

By KATE

Right now, since the stock at **Lou's Variety Shop** on North Oakum Street, is in full swing, you can select many gift articles for Christmas and use their lay-away plan. There's a good supply of ladies' full length robes, men's cardigans, girls' bell bottom pajamas, boys' wing tipped shoes and many, many other articles of wearing apparel for the entire family at **Lou's Variety Shoppe**.

Does the aroma of fresh baked pies, cakes, do-nuts, etc., make your mouth water? If so, why don't you

Episcopalians To Have Forum

The congregation at St. Paul's Episcopal Church following a short service will conduct an open forum on the issues and concerns of the Church at the present time.

Members of the congregation have received notice of the meeting and full participation is expected. Moderator will be Senior Warden Thomas H. Shepard, and the rector, Rev. George B. Holmes, will be available to answer questions he may be in a position to address.

The forum comes prior to the every member canvass to be conducted November 2. At that time a special service of dedication with the parish making a Corporate Communion will be held. No other services are planned for that day. Children from nursery through third grade will have Church School classes at 11 o'clock.

Following services the entire congregation will assemble for a pot-luck luncheon in the Parish House.

Pledge cards for 1970 will be mailed next week to all parishioners to be submitted November 2. All who do not submit their pledges at the service will be visited in the afternoon by a canvasser. The co-operation of the congregation is requested.

THANKS TO TEENAGERS

hurry over to **Shields' Bakery** and get some of those delicious goodies? This bakery shop is open every day and you get quick, courteous service. So take home a fresh baked pie, cake or cookies as a real treat for the entire family from **Shields' Bakery** at the corner of Oakum and East Church Streets.

Each week at **Ross Jewelers**, they receive a new and different kind of beautiful jewelry and gift items. This week they showed me the new and exclusive Paua shell jewelry and gift sets from New Zealand. There's desk sets, trays, coast-trays, lovely pins and pendants, cuff links, tie tacs and bracelets. If you'll take a look in their beautiful decorated show windows, you will see some of these Paua gifts—at **Ross Jewelers**.

If you'll look in the window at **Tarkington's**, you'll see the cutest all weather coat for small children, this time modeled on a little boy. However, this same coat can be buttoned on the opposite side and worn by a little girl, making it most adaptable. The coats are fleece lined, too, for warmth. By the way, **Tarkington's** has received another new shipment of stunning fashions in ladies' hats in all the glorious colors of fall—now IS the time to shop for that new chapeau.

When you shop at the **P & Q Super Market**, you can get quality and savings all the way. This week's pace setters in values include fresh picnics at 39c a pound; fryers at 28c; chicken legs and breasts at 39c; 20 pounds white potatoes at 59c; oranges at 3c each; cucumbers at 5c each and Tokay grapes at 5 pounds for \$1.00. With the purchase of a \$5.00 order this week, there's some extra special values, such as 5 pounds Camellia flour at 29c; Camellia detergent at 19c and Camellia coffee at 19c, all representing a savings of 60c or more on these items. It's budget savings now and always at the **P & Q Super Market**.

There's a "NEW" innovation at the **G. T. Davis Jewelry Store** this week. It is an attractive arrangement of center show-cases, displaying many new and

wonderful gifts, especially in articles of polished wood which I particularly liked. There's Lazy Susans with relish trays, napkin holders, the new coffee mug holders, recipe boxes and so many other attractive gift articles from which to choose. Go in, browse around, you're welcome at the **G. T. Davis Jewelry Company**.

If you've a "sweet tooth" and like chocolate covered cherries, as many people do, then go right down to **Rose's**, where they've just received a fresh shipment of these confections and are selling them two boxes for only 99c. It's Halloween time, too, at **Rose's**, where the young goblins can get Trick or Treat bags, costumes, masks and noise makers. And also for the trick or treaters, you can get 125 lollipops for 87c; 150 pieces of candy for 87c; 100 kisses for 39c and Hershey bars at 10 for 39c at **Rose's**.

Have you made your purchases at the Rexall One-Cent Sale at **Hollowell's Rexall Drug Store**? There are so many different real values on sale that you can't afford to miss it. Right now you purchase your Christmas cards, one box for \$2 or two boxes for \$2 plus a penny. Christmas wrapping paper is on sale also. Writing paper sells at two boxes for 99c and good quality tooth brushes at 2 for 79c at the gigantic Rexall One-Cent Sale at **Hollowell's**.

Since cold weather means shut in time, there's one way the entire family can entertain themselves. It's simply by putting together interesting and educational Jigsaw Puzzles. At **Gene's 5c and 10c Store** there's a big shipment of all sorts of puzzles which have just arrived, in prices ranging from 39c to \$1.49. There's pre-school puzzles, four to a box, for the children. Then there's map puzzles for school children and beautiful scenery puzzles for adults, now at **Gene's 5c and 10c Store**.

Cooler weather brings on the time when all women must replenish their wardrobe of hosiery and, of course, with the fashion changes, come changes in all makes of hosiery. At the **Betty Shoppe**, going along with fashion change, you can get the new Myrid panty hose made of Agilon, and the Miss Myrid Junior and teen-age panty hose, for the action people and the shorty skirts. The new Carmolon panty hose comes in one size which fits short, medium and tall gals. Also another new is the two-part pant hose with panty and stems which works with garterless girdles. No hooks or snaps—hose held in place with a soft elastic band. For the newest in hosiery fashions, shop at the **Betty Shoppe**.

Of course, it's always a pleasure for a woman to go shopping for furniture, especially at the **Quinn Furniture Company**, with its soft playing music and the surroundings of beautiful and attractive furniture designed in the various periods to compliment your home. To the right as you enter the store, you'll see literally a wall of beautiful paintings, from which you can make a selection suitable for any room in your home, including your den and even your kitchen. Ask just any woman and she'll tell you that she just loves shopping at the **Quinn Furniture Company**.

The **Western Auto Store** starts this week with their famous Family Days Sale, with so many extra special values in savings on items for each member of your family. For Daddy and his work shop, you'll find great savings in power tools; for Mother in the home, there's extra special savings on large household appliances and for the children, what else but toys, large and small, for now and for lay-away for Christmas fun. So join the Family Days Sale at the **Western Auto Store**.
