## 4-LEAF CLOVER 4-H CLUB HOLDS MEETING

Ann Brown, Club Reporter The 4-Leaf Clover 4-H Club met Thursday, January 8 at Ann Brown's house. Five members were present.

We listened to some songs on a 4-H record and sang along with the record. Then the meeting was called to order and Mrs. Dail suggested we make favors for the hospital for Valentine's Day. We decided to have a clean-up project for picking trash up along the highways and streets.

Then the meeting was adjourned for cocoa and doughnuts.

Coll served as president of Roamer and vice president of the Holland Division until December, 1958, when he was elected president of Chris-Craft Corporation. He served as president until October 1, 1969, when he resigned.

# LETTER TO THE EDITOR

I want to take this opportunity to thank everyone for the fine welcome that has been given me and my family upon arriving in your fair town. We are enjoying our stay here already.

I would also like for you to know that we are already trying to set your Country Club up in a professional manner so that you will enjoy coming out to the golf course and play. We have made some improvements with more to come.

I would like for all the players that have "club storage" and "lockers" to please come and see me so that I can get these two items straightened out. I am in the process of adding more storage bins and fixing numbers as well as names to them and I need to know just who has storage and where their equipment is.

In any case why don't you come out and meet us and see the improvements that have been made?

Again, we thank you for the warm welcome and we are very happy to be here.

## A Thought to Remember

By MARVIN BARHAM

The story is told of a new and rather awkward statesman who was having tea with a lady. As fate would have it, the awkward man broke a beautiful cup.

Before the poor fellow could frame an apology, its mate met with an accident in the hands of the hostess, and she turned to the servant with the quiet order: "Never put these cups out again, they are too brittle for use." She considered the sacrifice of the costly cup nothing in comparison with the embarrassment of her guest.

There are still people in the world who consider people's feelings. These are the truly great—the ones who make life a joy for all around them. Ar people who are considerate of the feelings of others are the true salt of the earth.

OUR THOUGHT TO REMEMBER: Think often of others—you'll find new joy and contentment.
