

State Tax Help Available Here

R. M. Midgett, local revenue collector for the N. C. Department of Revenue, advises that personnel to assist in the filing of state income and intangibles tax returns will be available on Monday and Wednesday of each week until April 15.

Persons desiring assistance in filing these returns are requested to contact the state office on the second floor of the County Office Building in Edenton between 8:30 A. M. and 12 noon on the above days.

Midgett requests that taxpayers bring with them the pre-addressed forms which were mailed to them from Raleigh.

Completed returns should be mailed directly to the N. C. Department of Revenue in Raleigh, 27602.

Under North Carolina law, a motorist is legally drunk when his blood alcohol content exceeds .10 per cent.

It is pleasant to meet human beings when they try to be pleasant.

Some religionists are so involved in the housekeeping of the church that they forget the power of religion.

Three Area Students Win DAR Essay Contest

The Edenton Tea Party Chapter of the Daughters of the American Revolution met at Edenton Restaurant February 11.

After the members present had eaten lunch and attended to the organization's business, the meeting was turned over to Mrs. W. B. Shepard, chairman of the local American history essay contest, who had charge of the program.

Mrs. Shepard introduced

the four winners of the local contest, who were accompanied by their teachers and parents. Two of the girls read their essays while the other two talked about what being in the contest meant to them. Each was given a certificate of award for outstanding work.

Their subject was "The Declaration of Independence and Its Signers."

The winners this year were as follows:

Fifth Grade — Mary Florence Berryman, daughter of Mr. and Mrs. T. F. Berryman, a pupil at Chowan Academy.

Sixth Grade — Nancy Boswell, daughter of Mr. and Mrs. Elton Boswell, pupil at

Chowan High School.

Seventh Grade — Waverly Ann Copeland, daughter of Mr. and Mrs. Joseph S. Copeland, a pupil at Hertford Grammar School.

Eighth Grade — Joyce Erlene Hollowell, daughter of Mr. and Mrs. Robert Hollowell, pupil at Perquimans County High School.

Their essays have been sent on to compete for district honors.

Interest in this project which is nationwide and sponsored by the National Society of the Daughters of the American Revolution, has grown by leaps and bounds. The Edenton Tea Party Chapter has taken part for the past four years.

The first year only one essay was submitted, by Mary Alice Byrum, an eighth grade pupil at John A. Holmes High School. This won state honors and was runner up in the national contest. The second year between 20 and 30 essays were submitted. Michelle Tabeau of the sixth grade at E. A. Swain Elementary School won in the state.

Last year four schools participated, submitting 78 essays. One of these, a paper by Becky Harrell, a fifth grade pupil at Chowan High School, won first place in the state fifth grade level.

This year six schools entered the race, submitting 130 papers.

For And About Women

PAGE THREE THE CHOWAN HERALD, EDENTON, FEBRUARY 19, 1970.

The Herald Society News

Mr. and Mrs. George Muth, Sr., and Mr. and Mrs. George Muth, Jr., and son Rad visited Mrs. Muth's brother and sister, Frank and Tillie Muth, Sunday.

Mrs. Ida Mae Roberson is spending some time at Clinton visiting her sick sister and brother.

FUN WITH FIGURES

George Parker Bidder, a 19th-century Englishman, was a human computer. Typical of the problems he could solve in his head is this one: If a pendulum swings 9 1/2 inches in one second, how many inches will it travel in 7 years 14 days 2 hours 1 minute and 56 seconds if each year consists of 365 days 5 hours 48 minutes and 56 seconds? Bidder had the answer—2,165,625,744 1/2 inches—in less than a minute!

A tuning fork that executes 261 vibrations a second produces a middle-C note. But so does a buzz saw if run at a speed where 261 teeth cut into the wood every second.

Chowan Golf Pro Fires First Ace

By LEW DEXTER

Well, the old pro finally got one, a hole in one, a first for Lew, and he got it on the 11th hole, 178 yards with a 3 iron. Lew was playing in a foursome with Jerry Downum, Woody Copeland and Jim Partin.

The ladies now have a bulletin board and all golf information for the ladies will be posted on it.

Ladies' Day last week had a small turnout. Come on, girls, let's hit the ball. However, a tournament was held and Mrs. Ruth Whichard won on the fewest putts. The rest

of you ladies had better come out and practice on the putting green or buy one of the pro's indoor putting cups and practice at home. Remember, putting is half of the game and any time you one or two putt you are cutting strokes off your score. Three and four putts just add strokes.

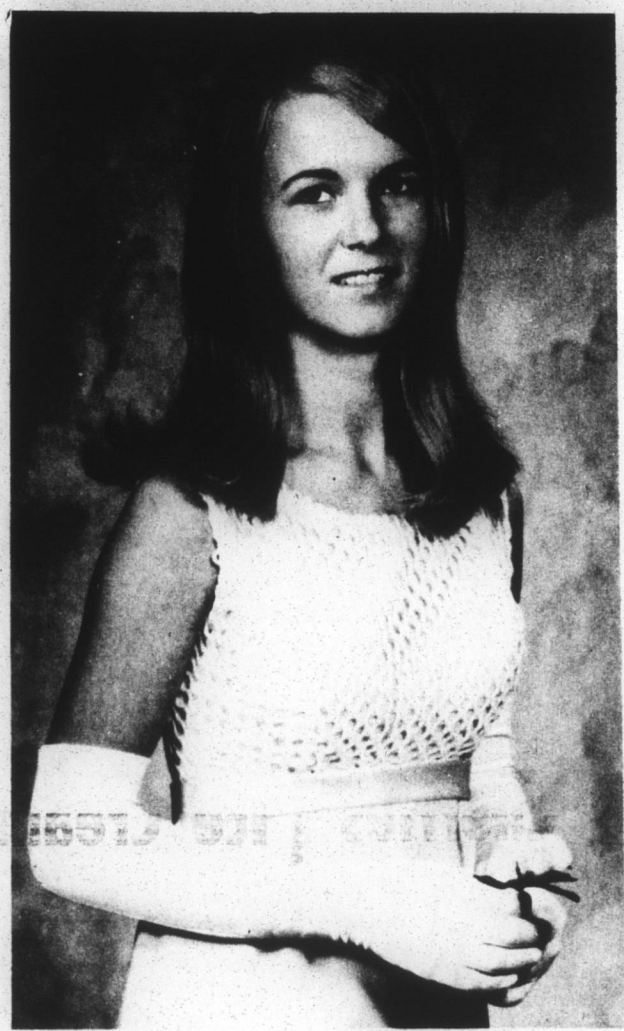

We hope to have our new score cards in the shop for this weekend and they should be easier to read and will have corrected yardage and handicaps.

Just a note to help you score better. Before you

start your round why don't you hit a bucket of balls on the range. This will loosen up your muscles and get you warmed up. A few players have pulled a muscle on the first tee and cannot enjoy their game or play as well as they might. I know one player who hasn't played for a week because of this. Right, Oscar?

A reminder for two items. One, please turn in your scores on the handicap board so that you can establish a handicap. You'll need one when we start our tournament.
