

The Christian's Pathway

By DALTON WARD

May Jesus our blessed Redeemer,
As He sits on the right hand of God,
Making intercession with our Father up in heaven,
And preparing the way for the Christian to trod.

Then may we as a Christian
Lend to God a helping hand
By living more closer and being a greater example
In doing our best to follow His commands.

So may I draw more closer
To Him who has paved the way,
And make my life to shine for Jesus
By following in His footsteps every day.

So while we have the time to praise Him
Let us ever keep in mind
That through Jesus only is life eternal
And He is the best friend we will ever find.

So as we strive to follow our Savior,
By being a true witness and keeping in pace,
For He is the One who saved up from sin
And is also able to keep us by His grace.

He came to save the sinner
And to heal our bodies, too;
So may we always put Him first
In all that we say or do.

So let our lives be centered on giving
Of the things that will not perish away,
Trying to be a help and a blessing
By causing some soul to see the straight and narrow way.

Now may we all put forth an effort
And work for our wonderful Lord,
For this is a duty that we all cherish
By uniting our hearts in one accord.

Very Important To File For Disability Benefits

"Are you disabled?" "Have you lost your job because your health does not permit you to continue working?" If your answer to these questions is yes, you need to check with your social security office. Some people lose

money because they wait too long after becoming disabled before they ask about disability benefits. A person should file his claim soon after he becomes unable to work so that his first check will be ready when it is due. Benefits may be lost if the person waits more than a year to apply.

A person is considered disabled if he has a condition that prevents him from doing any gainful work and is expected to last for at least 12 months. Special provisions apply for persons disabled because of blindness. Some additional information about filing for disability payments may be obtained at the Social Security office in Elizabeth City.
