

### BROAD STREET BULLETIN...

By Kate

I've got Cabin Fever  
And it's running mighty high,  
I'm fighting this delirium  
Pulling hard to break the tie  
Of being chained to a tide of woes  
When all I want to do is "GO"!

All I can think of is that Edenton Methodist Church breaking a leg would be even and give them an order for worse—then I couldn't move a chicken salad plate. From at all. This excess energy is previous experience, I know trying to overtake me. So just call 482-3269. They'll deliver!

Each morning Mr. Cardinal wakes me with his tune of cheer. The sun streams through my window and I'm glad that I can hear. There's so many things that could be worse than idle recuperation. Like having no one who cares if you're in this situation.

I'm very fortunate, indeed, to have my Hazel, who really cares and most of all, Buff, who is like the Rock of Gibraltar to me.

Watch out for our early Spring birds as they're nesting now and building nests in unusual places. Tille Muth tells me a wren has made a nest on the top of their stepladder on the porch. Needless to say, that stepladder will be out of commission until the little song birds arrive.

If you have time this Thursday at noon contact the Be sure to read the Shopping Guide!
