Churchwomen Start Campaign

Churchwomen from throughout Edenton and Chowan County are launching a funds campaign to furnish the "quiet" room at the new Chowan Hospital. They will seek to raise \$2,000.

Mrs. F. B. Drane and Mrs. Thomas Ward have been named co-chairmen of the campaign.

Representatives of churchwomen from every church in the county are being asked to head the campaign in their respective church. The goal will be broken down with each church being asked to raise a certain amount.

SKILLET CHEF—Grand Canyon Goulash is a good example of one-dish camp cookery at its best. Made with a base of condensed tomato soup, it has meat, vegetables, and zingy macaroni and cheese all combined in a delicious whole. Serve with crusty rolls right from the skillet.

Just as soon as school is out hundreds of American families will take to the roads and lakes for camping or boating vacations.

They, too, must eat and Mom often needs suggestions for one-dish meals to be thrown together for big, big appetites.

Nowhere is ingenuity put to a greater test than at the campfire. Campsite cookery may be routine — hot dogs, hamburgers, steak and begin all over again—or it may be as imaginative and interesting as any home culinary masterpiece.

The success of camp cooking or cooking in the small galley of the boat, depends on careful planning, a thoughtful selection of recipes and as few extraneous ingredients as possible. Stick to the necessary basics. Most spices, with the exception of salt, pepper, garlic salt, and an herb or two, may be left at home when already seasoned condensed soups are used as the liquid in an all-in-one dish such as Grand Canyon Goulash. This can be cooked and served in the same utensil. It combines meat, macaroni and vegetables all in a handy skillet. Serve with hard rolls and salad and it is sure to satisfy even the hungriest of hungry campers

Grand Canyon Goulash
1 lb. ground beef.
½ cup sliced onion.
¼ cup slivered green pepper, optional.
1 can condensed tomato soup.
1 can "MacaroniOs" with cheese sauce or macaroni and cheese.
1 can (8 oz.) whole kernel corn, drained.
¼ teaspoon salt.
Generous dash pepper.
Generous dash garlic salt.
Brown beef and cook onion and green pepper until tender; stir to separate meat. Pour off fat. Stir in remaining ingredients. Heat. Stir often. Makes four generous servings.

Gaspé Peninsula Chowder
4 to 5 slices French bread.
2 tablespoons softened butter.
Dash garlic powder.
1 can (4 oz.) Vienna sausages, drained.
1 can condensed onion soup.
1 can condensed vegetable and beef stockpot soup.
1½ soup cans water.

Spread both sides of bread with softened butter; sprinkle with garlic powder. In skillet, toast bread on both sides; remove. Cut sausages in one-inch slices; brown in a winey vegetable-beef flavor butter. Add soups and water. Heat; stir now and then. To serve, place one slice toast in each bowl; pour soup over toast. Makes four to five servings.

Facilities for serving a hot meal are often lacking aboard the boat or at the campsite so it is necessary to pack the picnic basket with the family favorites. Here is a new version of Deviled Eggs which could be placed in the cooler for later eating.

Stuffed Chip Eggs
4 eggs, hard boiled.
4 slices bacon, cooked until crisp.
3 tablespoons mayonnaise.
2 teaspoons minced parsley.
1 teaspoon sweet pickle relish.
¼ cup finely crushed potato chips.
Paprika.

While eggs are still warm cut in half lengthwise. Mash yolks and mix with next five ingredients. Mix until smooth. Fill whites with yolk mixture using either a pastry tube or lightly spoon in heaping full. Sprinkle with paprika. Keep cool until serving time.

Here is a quickie but delicious dessert. Use the luscious strawberries now in abundance.

Lemon Creme Slices
1 can lemon pie filling.
1 jar (7 oz.) marshmallow creme.
8 thick slices pound cake, fresh or frozen.
Fresh berries in season, sweetened to taste.

Stir together pie filling and marshmallow creme until light and fluffy. Toast cake slices on both sides. Spoon mixture over each cake slice and top with berries. Makes eight servings.

Quickies
A tart and easy sauce is just the thing for barbecuing beefburgers, chops or kabobs. Just mix together one cup soy sauce, one cup salad oil, three-fourths cup lemon juice and a halved clove of garlic. Baste the meat as it broils.

For a quick dish to utilize cooked beef, take off on chili. Cube the meat and heat with tomato sauce and onions. Add chili powder to taste. Kidney beans drained and included at the end need just be heated through.

Suck lunches are "in" when the weather warms. Sandwiches are a natural. Slices of pork loin roast and Mox-zorelli cheese make a luscious twosome. Halved frankfurters with mustard provide a welcome sandwich. Meat loaf, moistened with catsup, bacon and tomato, chopped ham with pickle, relish are all lunchtime pleasers.

Bacon curls spark up eggs, salads and sandwiches. They are an easy garnish. Pan-broil the bacon slightly, then wind it around a fork and finish cooking until crisp.

MONTHLY MEETING
The Chowan Scottish Rite Club will hold its monthly meeting Friday at 7:30 P. M. at the clubhouse on North Granville Street. Clarence White, president, urges all members to attend, as this will be the last meeting until this fall. He also urges members who plan to attend to make reservations with the president or Bill Stallings.

BAND CONCERT
The John A. Holmes High School Band, directed by Stuart Patten, will present a spring concert tonight (Thursday) at the Holmes Auditorium. The concert begins at 8 o'clock and the public is invited to attend.
