

"Shopping With You In Mind"

By KATE
Ross Jewelers sends their warmest congratulations to all graduates! For an extraordinary gift or that extra special gift you will find such an array of gifts for the young lady or that boy graduate. And there's a good selection of gifts for that June bride, making it so easy to find the right sort of gift and Ross Jewelers will engrave gifts and gift wrap them, too.

I enjoy shopping at the P & Q Super Market because it can be my one-stop market and shopping center. Featured this week are the most tender steaks, including T-bone, sirloin and round steaks. Fryers are only 27c a pound and Harrell's country hams will sell at the low price of 85c a pound. Each week, it seems that the produce department is loaded with such goodies as local snap beans, squash, strawberries and May peas. There's always plenty

FHA Personnel Plan Meeting

Farmers Home Administration supervisors will attend a Farm Management Workshop on June 4 and 5, at Williamston.

James T. Johnson, state Farmers Home Administration director, said arrangements had been made with farm management specialists at N. C. State University to conduct the workshop for the Farmers Home Administration personnel.

Johnson indicated that the two-day training session should help Farmers Home Administration Supervisors gain a greater insight into the rapidly changing needs of farm families in the important area of management. He said Farmers Home Administration made more than 6,000 loans to North Carolina farmers last year.

Some of the topics to be covered at the workshop include production practices, enterprise budgets and combinations, family farm agreements, leasing and contract production.

NCSU Extension farm management economists who will conduct the workshop are Dr. Hugh L. Linder, D. G. Harwood and Clyde Weathers.

Melvin E. Howell and O. Waldo Winslow will attend this meeting from the Farmers Home Administration office located in Hertford serving Perquimans, Pasquotank, Chowan, Camden and Currituck counties.

It takes two nations to fight but it takes many more to keep the peace of the world.

parking spaces, so it is very convenient to shop at your local P & Q Super Market.
Don't forget to make an early selection of Father's Day cards now at Hollowell's Rexall Drug Store. Gifts, too, for father such as pipes, cigars, shavers, lighters and candy, too, for father. There's a special this weekend at Hollowell's. It's Latex baby pants, greatly reduced. There's the sissy, frilly baby pants, too, on sale at Hollowell's Rexall Drug Store.

At the G. T. Davis Jewelry Company you'll find a large assortment of gifts for graduation, which is just about here. Gifts for the young lady include earrings, Bulova watches, necklaces, pretty brocade jewelry cases and attractive bracelets. For the young man you'll find men's jewelry cases, tie tacs, Bulova watches, cuff links which can be engraved and belt buckles. You will get these gifts all prettied-up, ready to give from G. T. Davis Jewelry Company.

The move to fashion now is the new Love soft eye makeup, found at Mitchener's Pharmacy. Lush mascara that highlights shadows, cake liner and brush, all in life colors that only come from the earth making the softest eyes ever. By the way, there's a good assortment of graduation and Father's Day cards by Hallmark, now at Mitchener's Pharmacy.

With the season of delicious May peas, snap beans and strawberries, it's time to make sure your supplies are ample for freezing some of these goodies. At Gene's 5c and 10c Store you'll find half pint freezer cups for 8c each, 1 pint cups at 11c and 1 1/2 pint at 17c. Quart and two quart cups are 87c for a package of five. Why not make it easier for yourself by doing much of your graduation shopping at the Betty Shoppe here in Edenton? Today's clothes call for lovely underwear and at the Betty Shoppe you can get mini slips in half and whole slips with matching white or pastel panties, bras and girdles. There are mini gowns with matching pants—matching robes and gowns in nylons and polyester blends. For the first time 'Shadowline' introduces the 'youth length' for sleepwear the girls love. They're all lovely and lacy, priced at \$3. The Betty Shoppe offers many boutique items such as gloves, umbrellas, jewelry and perfume and the Betty Shoppe will gift wrap them for you.
