

BROAD STREET BULLETIN...

By Kate

The writer of this column is a patient in Chowan Hospital and is too weak to write at this time. While still very weak, she has strength enough to thank the folks at the hospital and her many friends for being so kind to her during her long illness.

College Sign-Up Set Next Week

Registration for the fall semester at College of the Albemarle will begin at 8 A. M. Thursday in the gym. Counselors and registration staff will be on hand to assist. The dean of students has requested that all students come prepared to pay fees, tuition and purchase books.

All students who have pre-registered should report to the multi-purpose room beginning at 8 A. M. to pay fees and complete any unfinished details concerning registration. The multi-purpose room will remain open until 12 noon for this purpose.

Returning students who have not pre-registered must see their faculty advisor before registration. Faculty advisors will be the same as last year and will be in their offices all day to confer with students.

All students are reminded that classes will begin at 8 A. M. on September 8.

CANCER CLINIC

The Northeastern Cancer Clinic will be held on Friday afternoon, September 4, with registration beginning at 12 noon. A chest X-ray will be given to anyone wishing it along with the examination of the five areas of the body where cancer is most easily found and cured. Only 30 people can be seen at the Center each month due to limited facilities, so it is suggested that anyone who wishes to be assured of an appointment should write or call the Cancer Center in the Health Department, Elizabeth City, for a priority. Examinees are asked to bring a robe or housecoat with them.
