have been anticlimatic anyway. Gov. Bob Scott had beaten the congressman to hog heaven.

L. F. Amburn, Jr.

### Something Spectal

On the Church Page of today's newspaper you will find another special feature. It is called "The Wayside Pulpit" and is written by Dr. D. E. Earnhardt, a Methodist minister of note who has come to meander along the Public Parade.

The Methodists here thought they got something special when Rev. E. L. Earnhardt was assigned to the local pulpit. What they didn't know at the time was the bonus which was to follow.

Dr. and Mrs. Earnhardt reside at Cape Colony. They recently transferred their membership to the local church and the administrative board has asked that he be designated as the associate pastor.

The addition of Dr. Earnhardt's column just about rounds out our coverage on the Church Page. He will carry you to the grave and Pete Manning's "Mortuary Forum" will keep you posted on what to expect then.

### BIBLE TO HOSPITAL

Continued from Page 1  
to a hospital. "It is not only a religious act but a fitting doctrine to the whole man," he said.

The speaker described relationships of health and religion and declared that God is for healing, regardless of the method. He pointed out that our Western culture has created some unhealthful assumptions which can be cleared by proper interpretation of the Scriptures.

Mrs. C. B. White, Sr., president of the Women's Society of Christian Service of Center Hill and Evans United Methodist Churches, was master of ceremonies and presented the Bible to Thomas M. Surratt, hospital administrator.

Surratt took the opportunity to praise the attitude of the people in Chowan County who have made it possible to build the new hospital. He said gifts such as the Bible are symbolic of the spirit which prevails in the community.

### BIG CHOWAN FAIR

Continued from Page 1  
A pullet sale will be sponsored by 4-H youths Thursday afternoon but the time of the sale is not definite.

W. A. Perry, president of the Chowan County Fair Association, urges participation in the fair from all. Other officers are R. E. Leary, secretary-treasurer and Glenn Perry, manager.

Persons interested in entering exhibits for judging must have their goods at the fairgrounds by 4 P. M., Monday but fair officials urge that exhibits be brought as early as possible. Flower arrangements will be accepted on Tuesday at 9 A. M.

The fair will open Monday at 7 P. M. if exhibitors bring their goods and everything can be set up. It will open on Tuesday at 3 P. M., and close on Saturday at 12 midnight.

Children's day will be held Wednesday and a matinee of the Joe Smiley and The Newmans act will be conducted.

On an average, approximately 20,000 persons attend the fair annually, however, the fair was rained out last year and the American Legion members hope to have a good response this year to make up for last year's rain.

The utmost tragedy in the world, in the minds of small boys, is that the home team lost.

Heard & Seen  
"By Buff"

Due to practically every spare moment being with my sick wife, there has been no time to write this column this week. She was home for a few days the latter part of last week, but had to be again admitted to Chowan Hospital, where she remains a very weak and sick woman.

### LITTLE CRITICISM

ditional janitorial service be provided and the second floor painted.

In a report signed by R. Graham White, Jr., foreman, and presented to Judge Robert D. Rouse, Jr., of Farmville, the valuable service being rendered by Edenton-Chowan Rescue Squad was cited. It was recommended that county commissioners give the squad all assistance possible. "We feel strongly that a suitable place for equipment and vehicle storage should be provided as soon as possible," it stated.

With regards to inspection of the schools, the following was reported:

#### ERNEST A. SWAIN

We find this school to be in good condition. The exterior woodwork needs painting as well as the interior walls. The woodwork in Room 28, damaged by fire, should be replaced. The screens on cafeteria windows need replacing. We find that the cafeteria has a "B" sanitation rating. This can be raised if certain repairs and improvements are made. We recommend this be done immediately.

#### D. F. WALKER

We find this school generally in good condition. Towel racks are needed in boys' bathroom. Some baseboard repairs are needed. The gym needs better lighting and seating. Heating units in two of the first grade rooms need repairs. We feel that the size of the lunchroom is inadequate and that plans should be made to relieve this situation.

#### JOHN A. HOLMES

We find this school to be in good condition. "A paved parking area for the school buses is badly needed. We recommend that this be taken care of.

#### CHOWAN HIGH SCHOOL

We find this school generally in good condition. Repairs to the rest rooms in the gymnasium are needed. The ceiling in the kitchen needs repair. Some type of runner is needed on the stairs. We request these repairs and improvements be made as soon as possible.

#### WHITE OAK SCHOOL

We find this school to be in good condition. Because of the problem of mud during rainy periods, we recommend that the playground be surfaced with asphalt. This would also provide better parking for school buses. We find that the old building needs painting. We recommend these improvements be made as soon as possible.

## Aces Rolling On

The Edenton Aces, under the direction of Coach Marion Kirby, won their third straight game Friday night when they defeated the Eagles of Greenville County, Va., 35 to 14. The two previous wins for the Aces were over Louisburg and Bertie.

Friday night the Williamston Green Wave will play the Aces on Hicks Field. Game time is 8 o'clock.

Halfback Willie Moore scored three touchdowns last week with fullback Herbert Wilson and Charles Fayton making the other two. Moore rushed for 183 net yards in 15 carries during the evening and Wilson netted 93 yards.

The defensive line, led by Lewis Brothers, kept the Eagles' net yards rushing to 32 but little could be done through the airplanes and the Eagles netted 103 yards overall.

The first touchdown for the Aces came two minutes and 41 seconds after play started. Several plays later Moore made the second tally for the Aces.

The third and fourth scores for the Aces came in the second period and the only touchdown Edenton made in the second half was scored in the early part of the third quarter.

Lewis Brothers, Wayne Sprull, Blount Shepard, Tommy Fleetwood, Neal Griffin, Lee Leary and Paul Waff, all on the defensive line kept the Aces well defended enabling the hosts to win.

# COA Makes Available Area Courses

The Adult Education Division of College of The Albemarle will conduct adult classes in Chowan County this fall. Variety and practicality have been emphasized in planning courses for all age groups.

Adult classes are open to any person 18 years of age or over who is not enrolled in a high school. Persons 16 to 18 years of age with "special needs" may enroll with permission of the local school superintendent. Classes are free to "Senior Citizens" over 65 living in the county.

COA is eager to offer courses that adults in the area want. Any class may be started if 15 or more persons are interested and a qualified instructor can be secured. Call the Adult Education Division at College of The Albemarle and make your wishes known!

Following are courses to be offered in Chowan County:

**Adult Basic Education** — This free course will be offered at John A. Holmes High School — New Library Building. Students may register Monday, Tuesday and Thursday, September 14, 15, and 17, 1970 from 7 to 9 P. M. This course is intended for those who have less than eight years of elementary school instruction. The general aims of the course are to teach reading, arithmetic, and writing. It is open to any adult living in Chowan County with less than an eighth

### Ralph A. Williams, 54

Ralph Aaron Williams, 54, 207 South Oakum Street, died suddenly last Thursday at Chowan Hospital.

Mr. Williams was a dispatcher for Edenton Police Department and an agent for Coastal Plains Life Insurance Company.

He was the son of the late John L. Williams and Minnie Copeland Williams, and was born January 23, 1916.

Surviving are his wife, Mrs. Anne Jackson Williams; his mother, Mrs. Minnie Copeland Williams; two sons: John F. Williams of Ft. Ritchie, Md.; and Ralph Williams, Jr., of the home; two sisters: Mrs. Neppie Briley of Edenton; and Mrs. Sue Keller of Raleigh; and one grandchild, and five step-children: Debra Lane, Larry Lane, Jr., Timmy Lane, David Lane, and Terry Lane.

He was a member of the Church of Christ.

Funeral services were held in Williford Memorial Chapel on Saturday at 2:30 P. M., with Rev. Russell Rice officiating. Burial was in Beaver Hill Cemetery.

Williford Funeral Home was in charge of arrangements.

rendering the people of Edenton and Chowan County.

Sheriff Troy Toppin requested commissioners to assist the Town of Edenton in paying a night dispatcher. He said the town handles communications for the entire county and at times messages are not relayed properly. Ashley supported the Sheriff's request, saying the Edenton Police Department is now the nerve center for the entire county and the promptness with which the rescue squad, sheriff's department, etc., operates is controlled by the quality of dispatching messages. No action was taken by the board.

Ashley reported 28 calls answered by the squad in August at a cost of \$334.83. He said \$103.40 was received in donations.

Sherlon Layton, tax supervisor, reported on information from the State Board of Assessments that certain chain operations were not properly reporting inventories. Layton was instructed to compute the extra taxes and so notify A&P and Winn-Dixie.

He said 79 building permits were issued by his office during the past fiscal year.

George Lewis, head of the planning board, said a new community planner has been assigned to Chowan County and was going to work. He said the work of his group included assisting families outside Edenton secure a water system.

Lewis commended Pete Thompson, extension chairman, for the work he is doing. "He is not only doing a fine job in agriculture but in total development," Lewis stated.

An architect advised commissioners not to plan major renovations to the County Office Building, due to the expense involved. He was instructed to go ahead with drawings for a courthouse, office building, jail complex so commissioners can make long range plans.

Humble Oil Company was awarded the low bid for oil for the county.

grade education, at least 16 years of age. Books and other material will be furnished. If you know of a person who could qualify for this course have him register on Monday, Tuesday or Thursday, September 14, 15 and 17.

**High School Efficiency** — (GED) — Classes that will enable persons to complete high school will be offered at the John A. Holmes High School in Edenton Monday, Tuesday and Thursday, September 14, 15, and 17, 1970, from 7 to 9 P. M. These programs offer courses which are directed toward helping an individual pass the High School Equivalency Examination. Upon successful completion of the examination the State Department of Public Instruction in Raleigh will issue to the individual the High School Equivalency Certificate.

#### General Interest Extension Classes

These classes are offered for self-interest and self-employment. They do not count toward a diploma or degree, but are offered because you request them. Listed are the general interest classes to be offered this fall in Chowan County. Please note the registration location and dates.

Persons may register for the following adult general interest courses on Monday, Tuesday, and Thursday, September 14, 15 and 17, 1970, from 7 to 9 P. M., at the John A. Holmes High School in the New Library Building.

All classes will meet at John A. Holmes High School in the New Library Building.

**Course:**  
Adult Driver Education, High School Equivalency (GED), Adult High School Diploma, Sewing (beginning), Sewing (Intermediate), Flower Arranging (Beginners), Pharmacology (Edenton Hospital for LPN's), ABE (Learning to Read and Write), Blueprint Reading, Typing (Beginning) and Typing (Intermediate).
