## LITTLE SHAVER?

A new kind of shaver for trimming beards? Nope. It's for cutting grass! Called the "Disston Cordless Electric Grass Shear." It was designed to relieve tiresome grass trimming chores and "trimmer's wrist." The only cordless grass dening and lawn aide of its kind, this work-saver is lightweight, push-button operated and completely rechargeable overnight. The user need only guide it as it trims where mowers can't reach or are unsafe to use.
