Mrs. Monds Host Homemaker Club

Center Hill Episcopal Home Makere Club met on Tuesday night, November 24, at 7:30 with Mrs. James Monds, hostess.

Mrs. B. P. Monds, acting president, called the meeting to order using Psalm 149. Other devotion; the minutes were read, roll called and the treasurer's report given.

Plans were made for a covered dish supper December 16 for all the families of Center Hill and it was decided that each person bring socks for a Stock Time in place of exchanging gifts, and these socks will go to Caswell den there.

Mrs. Fran Ward, Extension Training Center for the child, gave a very interesting demonstration on Good Posture and directed a discussion on posture.

Refreshments were served during the social hour by Mrs. Monds and the group was dismissed by the club collect.

Let's Talk Turkey...

We're pretty darned happy our Pilgrim fathers finally got over to this side of the pond. It was rough going at first, but with the help of the friendly natives, they finally got settled.

Then they all got together and had the first Thanksgiving. In those days it was pretty clear what there was to be thankful for. Today, a lot of people aren't so sure they have anything.

Some of our pre-Christmas Scrooges would dwell on doom and the worsening state of the world even if the streets were lined with gold, and manna fell three times daily. But even these negative thinkers have something to be thankful for — they're still around to complain, aren't they?

This Thanksgiving, pause for a moment to reflect on all the things you can offer Thanks for . . . you may be surprised to find so many.
