GRANDMOTHER

By LESLIE ERICKSON, Ryland, N. C.

Grandmother Gnit with her needles and hook would rather make pretties than eat, sleep or cook. She'll draft you a sweater, a dolly, or hat. Before you can wake up that nervous old cat.

Grandmother Gnit makes a number of things. She makes them with yarn, and makes them with strings. But that isn't all that Grandmother can do. If your work's in trouble she'll fix it for you.

She'll fix it by letter; she'll fix it by phone; She'll help you in groups, or she'll help you alone. So write to old Granny at her new address And ask her to help you. I know she'll say yes.

Fully to understand human conduct as a whole, we must study it as a part of that larger whole constituted by the conduct of animate beings in general.

CARD OF THANKS

The family of Mrs. Lizzie Chappell wishes to express our sincere appreciation to relatives, neighbors and friends who by their visits, calls, cards and prayers made our mother's stay in the hospital so much easier. To Dr. Bond and the nurses who strived so hard to make her comfortable in her illness we are most grateful. To the many people who sent food, gave flowers and sent messages of sympathy during the death of our loved one, let us say "Thanks." We would like also to thank the Rescue Squad, who came so faithfully when called. May God bless you all.
