MIKE OVERTON

Overton Takes Coaching Post

Mike Overton, son of Mr. and Mrs. C. J. Overton, formerly of Edenton, received his AB degree in physical education from Elon College during graduation exercises on August 15.

Overton, a former All-East and All-Conference selection in football from John A. Holmes High School, was a two-year starter on the Elon College football team at defensive tackle. For the past two years, Overton was head freshman football coach at Elon where his teams compiled a perfect 7-0 won-loss record.

Recently, Overton was employed by the newly consolidated Ayden-Gritton High School as varsity line and head JV football coach. Ayden-Gritton head football coach Nelson Gravatt commented, "We are very fortunate to have a coach with the qualifications of Mike Overton. We are sure Coach Overton will do an outstanding job with our offensive and defensive linemen."

In addition to his coaching duties, Overton will teach biology at the Ayden-Gritton High School.
