

### Judge Hornor Is Back In District Court Here

Judge Pentress Hornor of Elizabeth City followed Hurricane Ginger into Chowan County, moving swiftly and sternly through a session of District Court. Judge Hornor, who has gained a statewide reputation for firmness, did nothing here Tuesday of last week to put that reputation in jeopardy.

Louis Alexander Valentine, 17-year-old Negro, charged with assault and battery, was sentenced to six months. Later, however, the jurist modified the judgment to suspended sentence upon payment of \$100 fine and costs and medical expenses to the

state's witness. Valentine and four other young Negroes had been arrested by Edenton Police Department following investigation of an assault on Ravid Cooke near Hicks Field on September 17. The four charged with aiding and abetting in assault—Stephan Bonner, Gerald Blount, Charles Alexander Drew and Willie Drew — were all found not guilty.

Grady A. Scosoms, charged in two counts of worthless checks, was given a total of seven months on the roads. James Luther Powell, charged with second offense of drunk driving, was sentenced to six months; driving after his license was revoked, 12 months. Appeal bond was set at \$2,000.

Willie Martin Shaw, charged with third offense of drunk driving, was sentenced to two years. Appeal bond was set at \$3,000.

Other cases called by Solicitor Tom Watts included: James Randolph Pledger, failure to comply with support payment, six months, suspended upon payment of \$1,600 by January 5, 1972, and \$30 per week for support of his minor children.

Vance Douglas Hare, drunk driving, 90 days, suspended upon payment of \$100 fine and costs.

Louis Bond, non support, pay \$10 per week for support of child and court costs; assault on a female, 30 days, suspended upon payment of cost.

### Draft Number 125 Ceiling For 1971

The Selective Service System has announced that Random Sequence Number 125 would be the ceiling for induction into the military for young men in the 1971 Prime Selection Group—that is, those registrants born in 1951 or earlier who received lottery numbers in 1970 or 1969 and are available for induction during 1971.

The Department of Defense announced a 10,000 draft call for the remaining three months of 1971. Draft Director Dr. Curtis W. Tarr said that Selective Service Local Boards would deliver 6,500 of these men in the period November 1-18 and the remaining 3,500 in the first nine days of December. Tarr said that he has directed local boards to give at least 30 days notice to all registrants facing the induction process in coming months. Current draft regulations require 10 days notice.

Tarr said that the uniform national call provision of the new draft law assures every young man in the 1971 group who is 1-A and qualified with a RSN of 125 and below that he will receive an induction notice in the near future. Tarr pointed out that some of these men will enter the Army in January, February or March of next year because of the extended liability provisions of the selective service regulations.

### Engine Courses Slated By COA

Two new classes, small engine repair and outboard motor repair, are offered by College of the Albemarle starting this week.

Registration and the first class meeting for a small engine repair course will be held at the COA Vocational Center on Riverside Avenue tonight (Thursday) at 7 o'clock. The course content will be a study of two and four cycle one cylinder gas line engines and the power trains. The students will be taught preventive maintenance, trouble-shooting and repair of the typical auxiliary engines used in industry. Shop periods will emphasize standard routines used in private and industrial applications.

Registration and the first class meeting for an outboard motor repair course will be held at the COA Vocational Center on Riverside Avenue Friday night at 7 o'clock. This is a basic course with the fundamentals of outboard motors. Students will be taught the basic parts of the motor, maintenance practices and simple repairs. This class will deal only with outboard motors.

Veterans and servicemen interested in information on VA guaranteed loans for mobile homes will find the pamphlet "Questions and Answers on Mobile Home Loans to Veterans" useful. They are available free at all local VA offices, or from the VA central office (26) Washington, D. C. 20420.
