

Owl Hoots and Screeches . . .

By MRS. NELLIE M. SANDERS
Director Pettigrew Regional Library

SUMMER READING—Any time is a good time to read for those of us who are already "hooked on books," but summer is traditionally associated with reading for recreation. In the hope of encouraging more children to

discover the joys of vicarious adventure through books, we are planning summer reading programs in all three libraries in the Pettigrew Region: Tyrrell County Library in Columbia, Shepard-Pruden Memorial Library in Edenton, and Washington County Library in Plymouth. Special activities are scheduled for various age levels with films, stories, music and group projects on the agenda. If you have children, or know of children, who have not already joined the gang at the library, please tell them that they are missing a whole great big fun thing. The librarians hope to see them at the library soon.

And we aren't forgetting the adults either. Ask to see the lists of new books—you'll be sure to find something to please your fancy among the many good titles recently arrived. Or if sewing is your thing, check our collection of patterns. Magazines and records are also available for circulation in all of the libraries.

VACATION—For the first time in almost two years, I will miss my deadline for this column since I will be taking my first vacation of any extended length. Last year I took my annual leave in bits and pieces, but this time I'm making a three-week trip to California to visit my daughter Vicki, her husband, Ray Provencher, and my darling grandson, Marcel. Vicki tells me that he recognizes his "Granny Gray Owl" in their copy of the local paper which they receive each week—it remains to be seen if he will know me in person since he has not seen me since last fall when he was 20 months old—he is now 28 months old.

Local Student Honored At Albemarle Academy

Marion Bowden Hassell, daughter of Mr. and Mrs. Jasper W. Hassell of Edenton, was chosen as salutatorian of the Class of 1972 of Albemarle Academy. Her class average was 95.

Miss Hassell is very active both at school and her church. Since transferring to the Academy in the 10th grade, she has been a member of the school Glee Club and the Beta Club and served as a member of the church choir, Handbell Choir and was secretary of the Episcopal Churchwomen.

In the 11th grade, she served in the Glee Club, Pep Club, Beta

Club, as treasurer, and on the newspaper staff. She also became the Director of the Handbell Choir, sang in the church choir, and again served as secretary for the EYC.

This year, Miss Hassell was also active in the same clubs and served as president of the Student Council and as a member of the Choral Society.

She was honored with the Outstanding Teenager of America Award for 1971-72 and was also awarded the Episcopal Medal of Service for the contributions she had made to St. Paul's Episcopal Church.

Miss Hassell plans to continue her education at St. Mary's College.

Accessories add special touch

It's the little things that count! But accessories for dad's larger gifts add that extra special touch.

If he's to receive a formal shirt, why not include a velvet bow tie and cuff links. A pair of double knit slacks might call for a new wide leather belt.

A power saw and a variety of blades is another suggestion. For dads who are to be gifted with a cassette player-recorder, pre-recorded and blank cartridges round out the present.

The buyer who always hunts a bargain fails to realize that he gets just what he pays for, or a little bit less.
