WHEAT DOWN
 The North Carolina wheat crop is estimated as the smallest since 1968, with a harvest of 8.3 million bushels. Acreage was down about 12 per cent from last year, and the indicated yield is 35 bushels per acre, or 8 bushels below the 1970 and 1971 records.

Tobacco Loan

 cent of the farm's poundage quota less any quantity already marketed or placed under loan. A loan-handling service charge of \$8 will be deducted from each loan at the time it is made, the same as for grain and other farm-stored commodities.
 When the tobacco upon which a loan has been obtained is sold at auction, the amount of the loan plus interest at 30 cents for each \$100 for each month or fraction thereof will be deducted by the warehouse. If the tobacco is delivered to the Flue-Cured Tobacco Cooperative Stabilization Corporation, only the principal of the loan will be deducted. If the amount of money received for the tobacco in the market or from the Stabilization Corporation does not equal the amount of the loan, the grower will be required to pay the difference.

Season In - Service Out

This year, as in years past, many of our subscribers can look forward to the inconvenience of having their telephone service interrupted. It starts at about the time the hunting season on dove opens. We can't warn you when or where some eager sportsman will cut through a telephone cable with a load of shot intended for a fleeing bird. We do know it will happen—several times. The hunter probably never realizes the inconvenience he has caused you, or the expense he has caused us. If you have a hunter in your home, please tell him to—

MAIN DISH—Spanish inspired Rice stuffed Peppers served with a fresh fruit medley and crunchy corn chips will add excitement to any weekday menu.

From The Chowan Herald Kitchen

By MILDRED HUSKINS
 With school beginning, homemakers will find family meal planning falling into a more rigid schedule. They will want to be sure there are plenty of nutritious foods around the house for hearty breakfasts and delicious after-school snacks.
 Mrs. Ruby Uzzle, extension consumer marketing economist, suggests apples for after-school munching since Western North Carolina apples are about ready for picking. There are also South Carolina and Georgia peaches still at the market and blueberries, grapes, pears, pineapple and melons are tempting.
 Keep dairy products in the refrigerator for between-meal and after-the-game snacks. They might include ice cream, icy milk, cottage cheese, yogurt and cheese.
 When planning sit-down meals, meat "specials" remain the best value for the money and vegetables are still available in fairly good supply.
 The chilly days ahead will give the family a yen for hearty, warm dishes. Spanish inspired Rice Stuffed Peppers served with refreshing fruit medley and crunchy corn chips will add excitement to any weekday menu. Here is an easy recipe you might try.

Rich Stuffed Peppers
 6 medium green peppers.
 1 pkg. (12 oz.) Spanish rice frozen in pouch.
 1 lb. ground beef.
 ½ cup diced onion.
 1 can condensed tomato soup.
 ½ cup water.
 ½ cup chopped celery.
 2 tablespoons Worcestershire sauce.
 1 to 1½ teaspoons chili powder.
 ½ teaspoon dry mustard.
 ½ teaspoon salt.
 Dash black pepper.
 3 slices cheese, cut in half diagonally.
 Remove tops, cores and seeds from peppers, cook in lightly salted boiling water about five minutes. Cook rice according to package directions, only until thawed. In medium skillet, brown ground beef and onion; drain off excess fat. Stir in rice, soup, water, celery, Worcestershire sauce and seasonings. Spoon meat mixture into pepper; place in flat baking dish. Bake in preheated 375 degree oven for 25 minutes; place cheese slices on top of peppers and bake for an additional five minutes. Serves six.

Winnie's Banana Cake
 ¾ cup shortening.
 3 cups flour.
 2 cups sugar.
 1 teaspoon salt.
 1½ teaspoons baking powder.
 1½ teaspoons soda.
 ¾ cup buttermilk.
 1½ cups mashed bananas.
 3 eggs.
 1½ teaspoons vanilla.
 Cream shortening; add dry ingredients then one-half cup milk and the bananas. Beat for two minutes. Add remaining milk, eggs and vanilla. Beat another two minutes. Bake in greased and floured oblong pan for 40 minutes at 375 degrees. Frost with favorite frosting and cut into squares to serve.
Festive Coffeecake
 is a light cake which the family could enjoy for breakfast or for snacks when the cookie jar is empty. This one features new pink frosted corn flakes which the kids have probably already talked you into placing in the market basket.
 2 cups all-purpose biscuit mix.
 3 tablespoons sugar.
 2/3 cup water.
 1 egg.
 1 cup pink frosted corn flakes.
 1 teaspoon sugar.
 ¼ teaspoon cinnamon.
 Blend biscuit mix with three tablespoons sugar, the water and egg. Stir in cereal. Pour batter into greased eight-inch square pan. Combine one teaspoon sugar with cinnamon. Sprinkle over batter in pan. Bake at 400 degrees for 20 minutes. Serve warm or cooled.

Housing Fair Is Evaluated By Group

Twenty-five people from a 10-county area who worked closely to put on a Housing Fair here earlier in the year gathered here Tuesday of last week to evaluate the three-day event and generally agreed while attendance was not as great as anticipated, the fair was successful. After some 30 minutes of constructive criticism of various aspects of the fair, Dr. Tom Hobgood of Raleigh, community development extension specialist of N. C. State University, pointed out that compared with others in the more populous areas of the state, the one in Edenton was well attended. "You got 5 per cent participation and that is considered pretty good," he noted. Also, Dr. Hobgood commended the group for taking a critical look at the fair and also for the event's success. "It is new for multi-county groups to come together—a lot of learning had to be done to develop such a successful event," he added.

booths were not manned; the lack of sufficient variety in the exhibits, and the lack of newness of items and materials on the market. It was explained that in the planning stages the hanger at the airport was the only building of sufficient size to house the anticipated exhibits. However, the number of exhibits dwindled to a point anticipated, but too late to change the location. Thompson reported that about 4,700 attended the three-day event in April.

A HIGHWAY ON STILTS
 The Chesapeake Bay Bridge-Tunnel is one of the world's longest "highways on stilts." More than 12 miles of the 17.6 mile-long crossing over and under the mouth of the Bay is a trestled roadway built 30 feet above the low mean water level.

CARD OF THANKS
 I wish to thank each and everyone who remembered me with their prayers, visits, cards, flowers, gifts and other act of kindness shown me while I was in the Albemarle Hospital and since my return home. May God bless each of you.

MEAT CUTS
 Not all of the 1,100-pound steer ends up on the grill. About 660 pounds is meat, the rest is by-products. Of that amount, about 485 pounds is left after trimming out carcass fat and bone. Of the remaining meat, about 111 pounds are steaks, about 102 pounds are roasts and some 272 pounds are ground beef, brisket, plate, stew meat, short ribs, cube steak, bone and fat.

There are all sorts of delicious things coming out of cereal boxes these days. Here's a real snack bait!

Pirate's Gold
 4 cups sweet peanut butter cereal.
 5 cups popped popcorn.
 ¼ cup salted peanuts.
 1½ cups sugar.
 1 cup firmly packed down sugar.
 2/3 cup light corn syrup.
 ¼ cup water.
 1 teaspoon salt.
 ¼ cup butter or margarine.
 Place cereal, popcorn and peanuts in a well-greased large baking pan. Combine sugars, corn syrup, water and salt in a large saucepan. Bring to a boil over high heat; add butter. Reduce heat slightly and continuing cooking at a steady boil, without stirring, to the hard crack stage or until small amount of syrup dropped into very cold water separates into threads which are hard and brittle (300 degrees). Slowly pour over cereal mixture, mixing until cereal is well coated. Press into bottom of baking pan. Let stand until mixture hardens. Break into pieces.
