## Dill Potato Soup With Pretzels

Having friends over? Liven up an old favorite with a new and delightfully different taste experience.

Dice and cook 3 large potatoes in 5 cups boiling water about 20 minutes. In heavy skillet, pan broil 4 slices bacon. Crumble bacon and put aside. Pour off all but 1 tablespoon bacon fat. Into the remaining fat, stir 1 level tablespoon flour and cook for a few minutes. Then add slowly 1 cup milk; stir and cook till smooth. Add 1 teaspoon frozen dried shallots and stir all into potato pan. Add salt and pepper to taste. Simmer gently for 10 minutes. DO NOT BOIL.

If served icy cold, add minced fresh dill and settle the bowls into crushed ice garnished with dill sprigs.

If served hot, garnish with crumbled bacon and bits of dill.

Serve with crisp, crunchy pretzels in all shapes and sizes for contrast in texture and flavor.

# It's 1973, and Chevrolet roofs are opening, seats are swiveling, bumpers are retracting, hatches are flipping up.

Did you ever have so much to talk about that you didn't know what to say first? We're happy to report that's us for 1973. But since everything must begin somewhere . . .

**Isn't it romantic?**  
You see that rectangle beaming at you from above? That's a moonroof. Not to be confused with a sunroof. (Although many people will undoubtedly be caught using it like one.) A power roof is available on Chevelle and Monte Carlo; a manual one on Nova.

**Bumpers are exciting?**  
This year's are something to get

stirred up about. One of our new bumpers, for example, is built around twin hydraulic cylinders. So on minor impact, the whole system retracts to cushion the shock.

It's standard on all big Chevrolet, Chevelle and Monte Carlo

New Malibu Colonnade Hardtop Coupe.

models. Nineteen different models to choose from.

New Nova Hatchback Coupe.

**Look what we hatched**  
You know us for our little Vega Hatchback. Now dependable Nova has one. Which literally makes it half trunk with the backseat down. It's a feature as practical as Nova itself.

**We've been thinking about your legs**  
One of the few things people asked us to improve in our popular Chevelle was leg room in the backseat. Well, your knees will be pleased with the '73s. There's almost 3 1/2 more inches in the sedans.

**So what else is new**  
Naturally this is only a taste of what's new for '73.

Among other things, we're introducing larger gas tanks for longer cruising range, a new Exhaust Gas Recirculation system, a hatchback for wagons, and a highly refined flow-through power ventilation system.

Plus a reading light for front seat passengers, improved suspension systems, engines that give you performance combined with gas economy, reclining seats and scores of dramatic styling changes.

We invite you to see it all at your Chevrolet dealer's.

(above) Caprice Coupe. Our new uppermost Chevrolet. Its luxury, comfort and quiet ride rival the most expensive cars you can buy. (below) Monte Carlo 3 Coupe, America's newest road car. With the handling of the finest European cars, and the looks and comfort of an American car.
