

COLLEGE AND CAREER NIGHT—Juniors and seniors from Holmes and Chowan High Schools attended College and Career Night recently at the Holmes High gym. Over 50 representatives from colleges, universities and the branches of the Armed Services were on hand to answer questions and supply information on their respective institutions to aid forthcoming graduates in their future plans.

Dr. Butts Heads Shaw Drive Here

Dr. William C. Butts has been appointed to head a fund raising drive for Shaw University in Raleigh. Dr. J. Archie Hargraves, the university president, will appear in Edenton this Sunday at 4 P. M. at Providence Baptist Church. Solicitations for money for Shaw University will be made. In addition to the special will be the regular worship services. At the 11 A. M. service, Dr. Butts will deliver the message "Keeping Men on Their Feet," and at the evening vesper he will deliver the meditation "The Hour Has Come."

Aces Surprise Strong Gates County Team With 27 - 8 Win Friday

By FLYNN SURRETT

The Gates County Red Barons, defending AA Conference champions, were dealt a stunning blow as the Edenton Aces rolled to a rousing 27-8 victory Friday night at Hicks Field.

Although the Red Barons received the opening kickoff, they suffered a serious loss when Simon Copeland of the Aces picked up a fumble on their 40 yard line, setting up the forthcoming drive for the first Edenton score. Fullback Ray Bateman made the first carry of the series to set up the touchdown followed by Richard Moring, who wound up on the one yard line. Junior halfback Arnold Brothers dove in for the touchdown and Ralph Garrett's kick for the point after was good to give the Aces an early 7-0 lead.

Deep receiver Rocky Boone bagged the kick-off only to find himself in a horizontal position on their 10 yard line due to faulty footing. The Red Barons were not to be easily stymied. Their ground attack gained them a first down and it appeared that they may start a successful drive. The Edenton defense clamped down and threw them for a series of losses highlighted when Percy Twine rolled up their quarterback, leaving them with a painful punting situation.

Copeland received the punt and after dodging attackers for about 15 yards, he was hit hard, causing him to spout up the ball. The Aces recovered the loose ball soon to find themselves deep in Gates territory on the 20 yard line and facing an angry enemy defense.

Garrett was sent in for a field goal attempt, but it was blocked and somewhere in the melee a Red Baron linebacker scooped it up, dashing for an 80 yard touchdown followed

in hot pursuit by quarterback Bill Chesson. They made a two point conversion to lead the Aces 8-7.

During the first portion of the second quarter the Red Barons made slow progress, but finally had to turn over the ball. However, Edenton slipped up and a fumble was recovered by Gates County. Gates made an attempt to go to the air only to lose it once again to Edenton.

In the following series freshman quarterback Gerald Hall fired a pass to Thomas Slade who made a beautiful cut and dashed into the end zone before a wild crowd with only a little more than two minutes showing on the clock in the first half. The snap to holder Bill Chesson was dropped leaving the score at the end of the first half 13-8.

Following half time the Aces proved that they had not cooled off in the dressing room by posting another score and successful conversion again by Garrett. A quick pass from Chesson to end Chris Elliott set up the score and almost resulted in a touchdown. He was knocked out of bounds on the Gates 15 yard line after a 35 yard dash. Minutes later Chesson passed to Slade to put Edenton on the two yard line.

Brothers plunged onto paydirt followed by the extra point. With plenty of time still in the ball game, Edenton led 20-8.

The Red Barons, getting the hint that the inside was no man's land, switched to the outside only to be knocked for further losses. For most of the third quarter Edenton dominated with backs Moring and Brothers seeing a lot of action. Deep in enemy territory, Edenton stumbled and turned the ball over to the Red Barons, who quickly went to work to bridge the substantial gap.

The fourth quarter was the setting for even greater action as the Edenton Aces worked to maintain their lead and Gates struggled to make a comeback. Slade intercepted a pass but Edenton was forced into a punting situation. Gates turned around and went to the air, nearly averting an interception by linebacker Ray Bateman. Sophomore defensive end Zachary Valentine dumped the quarterback for a big loss when he dropped back a deep 10 yards to pass. A 15 yard penalty against Edenton gave Gates the first down. They completed a short pass to Mike Howell and the airborne

Copeland put him down hard. Minutes later Copeland batted down another pass. Edenton gained possession, passed and was intercepted. By this time not an individual was seated and the lust for action was fulfilled when Brothers immediately intercepted a pass after it was tipped three times. The Aces were set back

with a series of losses and a punting situation but on the first play of the series by Gates County, Moring intercepted and bounded into the end zone with seconds left to go. Garrett rubbed the salt even deeper into the Red Barons' wounds with his extra point. Carlton Willis stopped the kick off return

on the 45 yard line as the clock slowly ticked out.

The final score was 27-8. Both defensively and offensively Edenton showed a great deal of elasticity in that every blow was greeted with a harder counter blow. It was an evening marked with excellent individual and team performance.

Meetings Set By Witnesses

Meetings of the congregation of Jehovah's Witnesses in Edenton are being rearranged this weekend to allow attendance at the group's semi-annual circuit convention at Josephus Daniels High School in Raleigh.

In making the announcement, Richard Lehman, local minister, said 22 Eastern North Carolina and Virginia congregations will convene Friday through Sunday and final day attendance may reach 1,100.

The assembly theme will be "Let Us Serve Jehovah Whole-souled." The program was designed by the Watchtower Society to stress ways of increasing Bible knowledge and Christian missionary work.

Highlight of the convention will be Sunday at 2 P. M. when G. Condilis, district minister, will deliver the featured lecture "Is This Life All

There Is?" Emphasizing the lecture's timeliness, Lehman said, "Many sincere people are in despair, searching for something. This lecture will highlight the Scriptural teachings of resurrection and paradise restored to earth."

Ms. Condilis will deliver the baptismal discourse at 9:15 o'clock Sunday morning when new Witnesses are ordained.

The courses offered in all sessions are free and the public is invited.

In 17th century Boston, men were forbidden to kiss their wives in public on a Sunday.

LOSE UGLY FAT

Start losing weight today or money back. MONADEX is a tiny tablet and easy to take. MONADEX will help curb your desire for excess food. Eat less—weigh less. Contains no dangerous drugs and will not make you nervous. No strenuous exercise. Change your life—start today. MONADEX costs \$3.00 for a 20 day supply. Large economy size is \$5.00. Lose ugly fat or your money will be refunded with no questions asked. MONADEX is sold with this guarantee by:

There are a lot of things a man can do for his country. Including saying his piece, pro or con. And talk is an important part of what makes a democracy like ours work. But in the final analysis, talk is cheap. Personal involvement accomplishes a lot more. Putting part of your savings to work for America is a step in that direction. To provide some of the economic strength it takes to make the whole system run. That's one reason why Savings Bonds mean a lot. They help to pay part of the cost of running a country where you're free to speak your mind. And they help you at the same time. With interest and security. So next time you have something to say about America, let your Bond purchases do part of the talking.

If they're lost, stolen, or destroyed, we replace 'em.
