Dr. Bond Named To Post At St. Paul's Church

In an organizational meeting of the Vestry of Saint Paul's Episcopal Church in Edenton, Dr. Edward G. Bond, local internist, was elected Senior Warden by acclamation.

The Annual Congregational meeting held in the church at 11 A.M. Sunday provided four new Vestrymen for terms of three years including James M. Bond, Dr. Allen L. Hornthal, Charles H. Wood, and Joseph A. Wright, Jr.

Thomas H. Shepard was re-elected Junior Warden. Dr. Hornthal was elected secretary of the Vestry, Mrs. Mary Jackson (ex officio) was elected treasurer.

Appointments as chairmen of committees made by the rector were Wright, Christian Education; P. Byron Kehayes, Lay Ministry; Dr. David Wright, Youth; John Woolard, Stewardship; Bond, Ushering; Mrs. William B. Rosevear, Gifts and Memorials; William B. Gardner, Community; Miss Elizabeth Moore, Church and World; Dr. Hornthal, Acolytes; and Wood, Music.

Delegates to the 90th Annual Convention of the Diocese of

East Carolina were also elected at the Vestry meeting. Delegates are Mrs. Rosevear, Mrs. Jackson, Dr. Bond, and Gardner. Alternate Delegates are Rob Roy Holmes, Dr. Wright, Shepard, and Dr. Hornthal.

In other business Sunday evening the Vestry designated the Christmas Offering to the Roland H. Vaughan Memorial Respiratory Center at the Chowan Hospital, and to The Presiding Bishop's Fund for World Relief earmarked for relief in Nicaragua.

Additional funds approved by the congregation were added to the 1973 budget designated for St. Augustine's College in Raleigh.

On December 5, 1955, the American Federation of Labor (AFL) and the Congress of Industrial Organizations (CIO) merged to form the AFL-CIO. The union of the two labor organizations brought into one center unions representing approximately 16-million workers—over 85 per cent of the membership claimed by all unions in the United States.

At the option of the purchaser of the bonds, a single fully registered bond without coupons in the amount of \$35,000 will be issued, exchangeable within 90 days after notice for coupon bonds in the denomination of \$1,000.

Bidders are requested to name the interest rate or rates, in multiples of 1/8 or one-tenth of 1 per cent, not exceeding an average annual net interest cost to the County of 5 per cent, and each bidder must specify in his bid the amount and the maturities of the bonds of each rate. NO interest rate bid may be more than two times the lowest rate named in the bid. No bid may name more than six interest rates, any of which may be repeated. All bonds maturing on the same date shall bear the same rate of interest and no bond shall bear interest at more than one rate. No bid of less than par and accrued interest will be entertained. The United States of America, acting through the Farmers Home Administration, has entered into a Loan Agreement with the County of Chowan pursuant to which the United States has agreed to purchase the bonds at their par value and at a rate of interest of 5 per cent per annum, provided that no bid is received specifying an interest rate or rates not exceeding an average annual net interest cost to the County of 5 per cent. As among such bids, the bonds will be awarded on the basis of the lowest interest cost to the County, such cost to be determined by deducting the total amount of any premium bid from the aggregate amount of interest upon all of the bonds from their date until their respective maturities. If no such bid is received, the bonds will be sold to the Farmers Home Administration pursuant to said Loan Agreement.

Each bid must be submitted on a form to be furnished by the undersigned, enclosed in a sealed envelope marked "Bid for Bonds"; and must be accompanied by an official bank check, a cashier's check or a certified check upon an incorporated bank or trust company for \$700, payable unconditionally to the order of the State Treasurer of North Carolina, on which no interest will be allowed. Award or rejection of bids will be made on the date above stated for receipt of bids and the checks of unsuccessful bidders will be returned immediately. The check of the successful bidder will be held uncashed as security for the performance of his bid, but in the event such bidder shall fail to comply with the terms of his bid, the check may then be cashed and the proceeds thereof retained as and for full liquidated damages.

The unqualified approving opinion of Reed, Hoyt, Washburn & McCarthy, New York City, will be furnished without cost to the purchaser. There will also be furnished the usual closing papers. The right to reject all bids is reserved.

Belk Foundations Aid College

The College of the Albemarle has been awarded a gift of \$35,000 from the Belk Foundation and the Belk-Tyler Foundation, according to Wayne Massey, Jr., manager of the Elizabeth City Belk-Tyler Department Store. This is in addition to the \$5,000 previously pledged by the local Belk-Tyler Store.

President S. Bruce Petteway stated that the donation, made to the Building and Development Fund, would be used in Phase II of the college's master plan for relocation on the new campus site.

Phase I of the master plan, has been completed on the new site located adjacent to the Albemarle Hospital on US 17 North. This facility, the Technical Center, houses all of the occupational programs offered by the college.

Phase II plans call for the construction of a complex that will contain a library, administration and faculty offices, liberal arts classrooms and laboratories, music and drama area, and a student center. In appreciation of the donation from the Belk and Belk-Tyler Foundations, that area of the complex in which the

administration is located will be designated The Belk Administration Building.

The estimated cost of construction for Phase II is \$2,000,000. Of this amount, the college must raise at least \$500,000 from local sources. Gifts and pledges to the building and development fund are urgently needed to meet this goal. Organizations, clubs, businesses and individuals are requested to respond to this opportunity to build a great regional community college. Donations may be sent directly to the college. A telephone inquiry will bring additional details.

Dr. Petteway pointed out that the N. C. State Board of Education and the Federal government finance about 90 per cent of the cost of operating the college, and Pasquotank County provides the remainder. In order to build a new campus to meet the growing educational requirements of the Albemarle area, however, COA must obtain local assistance to secure the necessary federal and state support for construction, he noted.

Since the College of the Albemarle was chartered in 1960 as the first college in North Carolina to be founded under the Community College Act of 1957, COA has made rapid expansion. There were only 182 students at COA when the college first opened its doors in 1961.

Today, however, there are nearly 900 full-time students, more than 200 students attending part-time and approximately 3,000 persons enrolled in various adult education courses in the seven-county Albemarle area served by the school. COA offers college transfer courses, vocational programs and special interest courses that, together, provide a wide variety of educational services to the region.

Recently re-accredited for the next decade by the Southern Association of Colleges and Schools, COA has served thousands of students since it began operation.

A one-track mind is not a handicap if you are on the right track.
