## Lincoln Feature At Local Library

The Shepard-Pruden Memorial Public Library of Edenton will feature for the month of February a display of prints of Abraham Lincoln, February 12th being his birthday. Outstanding in the exhibit will be the Lincoln engraving by Johnson and the Lincoln etching by Schneider, these two being regarded the finest engraving and etching, respectively, ever made of the great president. Seldom are the two ever seen together as each is quite rare. Adding interest to exhibit will be a showing of Early American Pewter, some pieces being museum items. Outstanding in this display are a pair of pewter reading lamps, each with the double bullseyes, the bullseyes concentrating the light for reading, while the balance of the flame lit up the room.

Another rarity is a group of very early room lights, from a small Colonial hotel in Pennsylvania. These were discovered in a box under the roof in an unused storeroom some forty years ago when the building was being torn down. As each guest retired, one would be lit, furnishing the only light for retiring. Also currently on display at the library is a collection of brass rubbings made from monumental brasses in England. This display is offered by the Chowan County Arts Council.

# Creative Cooking From The Herald Kitchen

By MILDRED HUSKINS

Creative meal planning isn't always easy on a day-to-day basis.

If you've been serving that same casserole week after week, here are two new ideas which your family might favor.

**Tuna-Cheese Biscuit Bake** adds a whole new dimension to that old standby -- tuna casserole. Here it almost resembles an upside-down dish, as a saucy cheese, tuna and pea mixture bakes over ready-to-bake buttermilk or country style biscuits.

**Corned Beef Hash Burgers**, another cool weather dish, features canned corned beef hash, flavor-sparked with catsup, horseradish and pickle catsup.

The hash mixture is spooned on flattened refrigerated biscuits. A second biscuit top

the hash and the edges are sealed to form a "sandwich" shape. For the finishing touch, slices of cheese bake on top. These buns are ideal for lunch or afterschool or party-time snacks. The kids will go for them.

**Tuna-Cheese Biscuit Bake**  
1 can (8 oz.) refrigerated biscuits  
1 can condensed Cheddar Cheese soup  
2 cans (6 1/2 oz. each) drained tuna  
1 pkg. (10 oz.) frozen peas, partially thawed  
1 cup milk  
1/2 cup chopped onion, or two tablespoons instant minced onion.  
1 teaspoon parsley flakes  
Preheat oven to 400 degrees. Separate dough into 10 biscuits. Arrange biscuits in an ungreased nine-inch square

baking dish. In medium mixing bowl, combine remaining ingredients, pour over biscuits. Bake for 25 to 30 minutes until biscuits have risen to the top and are golden brown. Serve with cheesy sauce spooned over biscuits. Makes four to six servings.

**Corned Beef Hash Burgers**  
1 can (15 oz.) corned beef hash  
One-third cup catsup  
1 tablespoon pickle relish  
1 teaspoon prepared horseradish  
2 cans (8 oz. each) refrigerated biscuits  
2 1/2 slices American cheese  
Preheat oven to 400 degrees. In small bowl, combine first four ingredients. Separate each can biscuit dough into 10 biscuits. Flatten each biscuit slightly. Place one-fourth cup

corned beef mixture on 10 biscuits; top remaining 10 biscuits; press edges to seal. Cut cheese slices into fourths; place a slice on each sandwich. Place on cookie sheet. Bake for six to nine minutes until golden brown. Makes 10 sandwiches.

Young Abe Lincoln, whose birthday we are soon to celebrate, is said to have spent any spare time he had at New Salem's Rutledge Tavern and ate there often. He was served by the daughter of the family, Ann, and that could have influenced him to take his meals there at times. Mainstay of the tavern was a full-flavored squash pie, fabled by some to be the best in all of Illinois.

This recipe for New Salem Squash Pie, developed in the Campbell Soup Company kitchens calls on frozen squash for ease of preparation, with the additions of allspice and mace for zest. The surprise ingredient...canned beef

gravy...contributes subtle flavor, rich color and moistness. This pie is said to be a first cousin to pumpkin pie but is more versatile since it may be served as an accompaniment to the main course. This one is unusual but you might like to try it just to determine if it was the reason for Honest Abe's frequent visits to the Rutledge Tavern or if they were really prompted by

the lovely Ann. **New Salem Squash Pie**  
1 can (10 1/2 oz.) Beef Gravy  
4 eggs, slightly beaten  
1/4 cup milk  
1 pkg. (12 oz.) frozen squash, cooled  
1/2 cup brown sugar  
1/4 teaspoon ground allspice  
1/4 teaspoon ground mace  
1/4 teaspoon salt  
1 nine-inch unbaked pastry shell

In bowl, thoroughly mix all ingredients except pie shell. Pour mixture into shell. Bake at 400 degrees for 50 minutes or until knife inserted in center comes out clean. Makes one pie.

**Apple Sauce Tricks**  
The next time you are serving eggs for dinner try this new approach; saute slices of Spam and top with apple sauce which has been heated with a little brown sugar and cinnamon.

Blend apple sauce with thinly sliced radishes, a sprinkling of oregano and salt to taste. Chill thoroughly before serving with cold sliced chicken or your favorite cold cuts.

Finely chop ham or canned luncheon meat into your next batch of pancake mix. Serve your hot pancakes topped with hot apple sauce. Complete your quick dinner with a vegetable or tossed salad and a beverage.

**QUICK 'N EASY**—An interesting variation of the old favorite—tuna casserole—Tuna-Cheese Biscuit Bake might be favored by your family. Corned-Beef Hash Burgers could be the main dish for a cool night supper or as a party snack for the young ones.

**WHAT IS COUNTRY CORNER?**  
WHY — It's handmade jewelry, needlework, gourmet kitchenware, scented drawer linings, music boxes, distinctive brass and unique gifts of all kinds.
