

COA SCOUTER AWARD PLAQUE—"For Outstanding Service to Boys" was the inscription on the bronze plaque presented to Ray Shorkey, assistant scoutmaster of Boy Scout Troop 162. Shorkey, machine shop instructor at College of the Albemarle, has during the past nine months worked with scouts toward the completion of requirements of 59 merit badges. Dewey Wells, chairman of the Albemarle District of the Boy Scouts, made the presentation to Shorkey recently at a campfire ceremony at Camp Perry. The Albemarle District includes Gates, Chowan, Perquimans, Pasquotank, Camden, Currituck and Dare counties.

HAPPINESS IS—
Interest in Others

Hi! Give part of your time to others. A "good morning" or "hello" can mean so much to a neighbor. Be interested in others. Direct your mind from self-centeredness. Give joy. Serve and help in your community. These things are just a few but doing just part of these will give you an experience of happiness.

Dare to be bare and do it beautifully with one of the many halter tops you can get at the Daisy. What could be cooler and more comfortable than a halter for boating, sunning, gardening, tennis, bike riding, and for evening. They are great to have to go with your shorts, slacks and long skirts. The colors are luscious in gold, green, burgundy, lilac, navy, bone, white strips etc. They are polyester and cotton. Seersucker, too. You would love to own several. They also have many pastel belts which would make someone a grand graduation gift. They have several styles from which you can choose. Browsing through shops can be such fun. I found several good-looking dresses that are now reduced. Go in and buy one for yourself.

If you want to feel summer cool and smell like a lemon then go into Mitchener's pharmacy and buy the once-a-year special by Revlon. Its that Wild Lemon fragrance everyone is talking about. Its long lasting and you will love it. You can get a 16 oz. bottle of Wild Lemon Soft Glow for \$3 (a \$5.50 value) or you can buy the 16 oz. Wild Lemon Cologne for \$3 (a \$5.30 value). Just splash it all over and you will really feel refreshed. I tried it and I like it. While in Mitchener's, notice the terrific buy on Purr, the power detangler, by Gillette. This will make a wonderful graduation gift and your daughter would love to use one. Its easy touse. It de-tangles wet or dry hair, helps prevent hair damage, helps split ends and leaves hair smooth and healthy looking. This is regularly priced at \$22.99 and is now priced at \$13.77. You can also buy the Max Mini Hairdryer by Toni. This is regularly priced at \$16.99 and is now priced at \$10.97. While there notice the woven shopping bag for only \$1.99. It is colorful, lined and perfect for the beach. It will carry all.

Every one loves flowers and if you want something that really looks real and isn't then go to the Country Corner and buy a beautiful bouquet of roses to

enjoy in your home. They are exquisite, elegant and gorgeous. You can't help touching them. Marion Throver came in while I was there and said, "They look as real as any rose I have ever seen, they even feel cold like a rose." Another customer, Nellie Jones, said as she entered, "They are gorgeous roses, there is no other word, they must be real, I can't stand it." We all had fun oohing and ahhhing. These roses are Portuguese. They can be washed (just dip them in water and hang upside down so they can fall back in place.) You can stick them in water so they will look real. They have extended stems. You can make them the length you wish. The leaves are beautiful and you can move them around as you choose. You'll love them, I assure you. Put your new roses in one of their pretty Swedish bud vases that are hand etched. They will certainly be hard to resist.

If you are a young man and about to become engaged or your anniversary is coming up, then go into Ross Jewelers. I got a sneak preview today and saw their many new beautiful diamond engagement sets: pins, pendants, pierced earrings and fashion rings. Whether you plan to spend much or little you can be assured of getting the greatest value for your money at Ross's. The pendants are tiny, dainty and brilliant. The diamond earrings are twinkling and delicate. They are precious. They have a most unusual diamond pin and a diamond ring that will match. The pin can be worn as a pendant. It is very beautiful. Remember diamonds are a girls best friend. A wise choice from Ross's will be a wise choice for your best girl. She'll love you.

Spring is when a young mans fancy turns to love and whats a better way to say it then with music and music you can find at Griffin's Musiccenter. You can feel gay and lively when you enter and hear the sound of music. It makes you tingle. They have a new shipment of 8-track tapes and if you can't find what you want they will try and get it for you. All you have to do is just ask. They have all size batteries and a complete line of needles. If you are looking for a different fragrance in incense, they have many new kinds. Have you tried the strawberry? It really smells good. Each package contains 20 burning sticks. You can smell strawberry for a long time. Go into Griffin's and buy your tapes and get a few different kinds of incense while there.

It is approaching graduation time again and I know you have many girls and boys on your list that you will want to remember. Remember them with a card from Hollowell's. They have a large selection for the graduate as well as others for all occasions. The graduate will be pleased to receive a card from you. If you are looking for gift items, they have gifts for both boy and girl. For the boys, choose a nice travel kit. That is an item they can surely use for their travels, whether school,

service or summer vacation. Give him an electric shaver. That too, is something a young man would love. They have the Schick, Remington, Sunbeam and others. For both boy and girl you can get the styling comb. They are so nice to have for the summer after swimming or enjoying the many summer activities they find to do. Please them with a styling comb. A watch can also make a perfect gift and you will be able to find the Timex at Hollowell's. You will find these reasonably priced. For the girls you can select the newest styles of jewelry, wallets or cosmetics. The girls will adore any of these and they are all so very useable. Go in Hollowell's and start selecting your graduation gift. They will be glad to gift wrap them for you at no extra charge.

Steal a moment of your time and go into Tarkington's and let them help you select a gift for graduation. They have a grand selection of jewelry, pajamas, bikini pants, mini slips and culotte pants. The girls all love these and will need them to carry away with them to school. Tarkington's also has a large selection of gown and robe sets. She would love one of these. They are so pretty and feminine. They have the chemise top to wear under a thin blouse and the pant liners for your see through palazzo pants and slacks. This was nice to know about and every girl would like to have a apr. They look cool and comfortable. You will find floppy brim beach hats and the crochet style. These they will love. They are summery and bright with color. They are very attractive and will shade the sun from your face and you will be stylish, too. Go in to Tarkington's and let them help you select a graduation gift.

Attention! It's time to shop at the Betty Shoppe for their further early Spring values. You will find early Spring reductions on full length coats, the fashion right jacket dress, some pastel knits in long and 3/4 length sleeve. They have a nice group of pant suits

from the early Spring collection and some week-ender sets. These have the skirt, pants, shell and blazer coat. That's perfect to take off on a weekend trip. With that you need not worry about taking anything else. You will find sleeveless dresses under the coats. They will be nice to breeze right on through the summer with. Don't wait. You will find good bargains and you will be happy you selected an out-fit from the Betty Shoppe.

If you are headed toward Nags Head in the next few weeks stop in at Worth Britt's Antique Shop. He has some fabulous buys on his handcrafted furniture. A 20 per cent reduction on his furniture until the end of May. You will not be sorry if you just go and look as Mr. Britt has made some very handsome furniture. If you are there just stop in and you might find just what you have wanted for a long time. Save those good-enough-to-eat pictures of fruits and vegetables from the magazines, then paste them on the appropriate jars when you do your canning. Makes each one look more appetizing and "pretty as a picture."
