She will be carrying the best quality and styles. She will service and restyle the wig you have already purchased. Remember your own beautiful hair this summer. Keep it in good condition. They will be happy to give you a summer beauty treatment at the Nu Curl and will sell your beauty needs. Make an appointment with one of their stylists. While I was browsing in Mitchener's Pharmacy, John, III, showed me the English Leather Musk cologne. It has that new provocative scent and it really smells good. It comes in a 5 oz. bottle. You will have enough to last you through the

person, key chains and sterling silver book marks that can be engraved, letter openers, bracelets, necklaces, rings, earrings, travel clocks and alarm clocks that every boy and girl will be needing to take off to school with them. These are just a few of the many gifts they have. They will be glad to gift wrap them for you.

Have you visited the Daisy recently? If not be sure to go in this week and let Jean and Patricia help you select something very pretty for the girl graduate.
