

Halifax Hits Albemarle With 38-8 Victory

In Roanoke Rapids Saturday afternoon, Albemarle Academy dropped a 38-8 decision to Halifax Academy. The Colts, still looking for their first victory of 1973, could not contain Halifax's sensational freshman speedster Ricky Davis.

Davis recorded four touchdowns: a 61 yard punt return, a 32 yard scamper, a 98 yard run, and a 14 yard dash. Davis was halted only twice at the line by the Colt defense; thus in nine carries Davis had gained 222 yards. Davis had several fine runs nullified by penalties of which Halifax had 139 yards to only 22 against Albemarle.

The Colts, who made two more first downs than the Vikings, could not sustain drives due to their own errors. Twice Albemarle was inside the ten and didn't score. But in the third period, Dillard Smithson put Albemarle on the board with a quarterback keeper from one yard. Freshman Patrick Nash added the two extra points on a run.

Nash was the leading runner for Albemarle. Smithson hit on five of 17 passes for 54 yards, but four times the ball was dropped by the receiver. Gray Cartwright came out of the backfield to catch two passes for 3 yards. Tight end Stevie Gregory pulled down two passes for 11 yards. And Nash had one reception for seven yards.

Defensively, junior co-captain Johnnie Rowe turned in his best performance with eight

tackles and eight more assists. Freshmen Kevin Old and David Rots, and junior James Norrell each were in on ten or more tackles. These four men formed a solid middle which granted very few yards; Halifax did hurt the Colts on sweeps. Ray Eure picked up the only Viking fumble.

In a non-conference affair, Albemarle will host Isle of Wight Academy this Saturday at 2 P.M.

YOUR FOUNDATION FOR A FREE CHOICE

PRIVATE PRESS SERVES PUBLIC

Now it is our turn to celebrate! The week, Oct. 7-13 is Newspaper Week. The theme is: "Newspapers: your foundation for free choice."

Your newspaper is a prime example of a private organization which serves the public interest. Independent, and free from government control, it is truly the public voice.

We play an important role in the life of the community. We give you the facts, thoroughly researched, so that you may depend on what you read.

We also provide a vehicle for our merchants to compete at the marketplace for your favor through constructive, informative advertising.

While our principal concern is to report to you the happenings at the local, county and state level, we feel it is an obligation to interpret those national issues which affect us here locally.

We do not expect all of our readers to agree with us in our reporting of the news, and we fully expect to be told about the differences. While it is almost impossible to be impartial in this day and age, we are determined to be fair and to win your respect. This is our objective.
